

Preliminary Scientific Programme - Day 1

Friday, 4 May 2018

LECTURE HALLS	Room 1	Room 2	Room 3	Poster exhibition
09.00	09.00-09.15 Introduction Renate Stemmer, Chair of German Society of Nursing Science 09.15-09.30 Welcoming address / Politician (NN)			Poster exhibition Day 1
09.30	9.30-10.10 Key Note Lecture - Gabriele Meyer (Germany) Chair: Erika Sirsch			
10.10	10.10-10.30 Coffee Break			
10.30	10.30-12.00 Oral Session (Topic: Patient care: Clinical care/ Nursing Intervention) End of life Chair: Thomas Fischer Best practice for persons with cognitive impairment and their families in acute care: A scoping review <u>Heidi Petry</u> Rahel Naef Jutta Ernst	10.30-12.00 Oral Session (Topic: Nursing facilities and structures) Supporting good life for the elderly Chair: Cornelia Mahler Research Presentation: Good aging - culture change & opening towards the quarter in long-term care facilities <u>Thomas Rittershaus</u> Hermann Brandenburg Alexandre Houdelet	10.30-12.00 Oral Session (4 Methodological issues) Data collection and analysis Chair: Ralph Möhler Measuring hospital performance with patient surveys: challenges and opportunities for provider profiling <u>Stefanie Bachnick</u> Michael Simon	Poster exhibition Day 1
11.00	Is there a shifting of values towards life and dying in the course of dementia? <u>Henrike Voß</u> A narrative inquiry into the experiences of nurses working in palliative care: Unpacking notions of disgust. <u>Mara Kaiser</u> Helen Kohlen Vera Caine	Cultural change in dementia care - preliminary results of "HAbitus in LongTerm-Care of people with dementia" <u>Helen Güther</u> Heike Baranzke Lisa Luft Hermann Brandenburg Stability of home-based care arrangements for people living with dementia - results from a meta-study <u>Dreyer Jan</u> Kerstin Köhler Hochgraeber Iris Bernhard Holle	The use of automated analysis for Philosophical Hermeneutic text interpretation (herMA) <u>Uta Gaidys</u> Anke Begerow Social Network Analysis in Nursing Science <u>Doreen Stöhr</u>	
11.30	Understanding end-of-life decision-making as a process of negotiation. An international empirical study. <u>Marqit Haas</u> Helen Kohlen	Effects of Services for Personal Support and Daily Life Assistance on Quality of Life and Perceived Strain <u>Hans-Dieter Nolting</u> Julian Rellecke Anna Steinmann Eckart Schnabel	Moral Distress in Nurses in Swiss-German Acute Care Hospitals: The development of a new Questionnaire <u>Michael Kleinknecht-Dolf</u> Marianne Müller Jacqueline Martin Rebecca Spirig	
12.00	12.00-13.00 Lunch Break			12.15-13.15 Interactive Lunch Symposium New professional roles? On emergent technologies in nursing relations Marcus Garthaus Anna Haupteltshofer Manfred Hülsken-Giesler Miriam Peters Roland Simon Hanna Wüller Stefanie Seeling
13.00	13.00-13.30 Poster viewing 1 at the Poster exhibition			
13.30	13.30-14.10 Key Note Lecture - Prof. Dr. Jan Hamers (The Netherlands) Chair: Karin Wolf-Ostermann			Poster exhibition Day 1
14.10	14.10-14.30 Break			
14.30	14.30-15.30 Symposium (Topic Patient care: Clinical care/ Nursing Intervention) Decision Coaching - inter-professional approaches of informed shared decision making: two steps forward, one step back <u>Birte Berger-Höger</u> Anne Rahn Gabriele Meyer Sascha Köpke Anke Steckelberg	14.30-15.30 Symposium (Topic: Nursing facilities and structures) Nursing work environment and outcomes after the DRG introduction in Swiss hospitals: the MatchRN study <u>Narayan Sharma</u> Suzanne R. Dhaini Stefanie Bachnick Cédric Mabire Michael Simon	14.30-15.30 Symposium (Topic: Methodological issues) User Involvement - methodological consequences for research <u>Sabine Hahn</u> Friederike JS Thilo Gurtner Caroline Soom Eva	Poster exhibition Day 1
15.30	15.30-16.00 Coffee Break			
16.00	16.00-17.30 Oral Session (Topic: Patient care: Clinical care/ Nursing Intervention) Complex interventions Chair: Steve Strupeit How can nurses help Roma people access the immunisations they want? Recommendations from a UK study <u>Louise Condon</u> Cath Jackson	16.00-17.30 Oral Session (Topic: Nursing facilities and structures) Influencing factors of nurses quality and quantity Chair: Karin Wolf-Ostermann Professional values and competencies as explanatory factors for the use of Evidence-based practice in nursing in Slovenian hospitals <u>Brigita Skela-Savič</u> Explore actual daily nurse-to-patient ratio over one year for six different units <u>Sarah N. Musy</u> Christos T. Nakas Michael Simon	16.00-17.30 Oral Session (Topic: Patient care: Patient perspective) Care from the patient's perspective - what makes the difference Chair: Hermann Brandenburg MediCal - a multi perspective, participative study to develop a theoretical foundation for strengthening drug self-management <u>Hanna Mayer</u> Breuer Johanna Melanie Mattes Smoliner Andrea Alerting devices for community-dwelling older people - implicit postponement of initial usage <u>Friederike JS Thilo</u> Ruud Halfens Jos M.G.A. Schols Sabine Hahn	Poster exhibition Day 1
16.30	A conversation approach for shared goal setting and decision making for nurses in cancer aftercare: Developmental study <u>Jolanda Friesen</u> Gerrie Bours Ingrid Snijders Asiong Jie Trudy van der Weijden Anna Beurskens Multicomponent, non-pharmacological delirium prevention and management: Suitable interventions for hospitalized geriatric patients <u>Claudia Eckstein</u> Heinrich Burkhardt	Development of a Monitoring of Nursing Service Context Factors in Swiss Acute Care Hospitals <u>Rebecca Spirig</u> Michael Kleinknecht-Dolf Testing an acuity-based nurse assignment tool in inpatient oncology units: a pre-post pilot study <u>Anne Gerber</u> Manuela Eicher Michael Simon	Upgrading patients' perspective in educational research - Examples from Finland <u>Helena Leino-Kilpi</u> Sanna Koskinen Arja Suikkala Patient-relevant outcomes for discharge interventions in mental health care <u>Anna Hegedüs</u> Bernd Kozel Ian Needham Johann Behrens	
17.00	A nurse-led complex Complementary and Alternative Medicine intervention for gynaecologic patients to improve health related quality of life <u>Cornelia Mahler</u> Nadja Klafke Lorenz Uhlmann Martina Bentner Andreas Schneeweiss Andreas Müller Stefanie Joos			
19.00	19.00 - 22.00 Networking Event			

Preliminary Scientific Programme - Day 2

Saturday, 5 May 2018

LECTURE HALLS	Room 1	Room 2	Room 3	Poster exhibition
09.00	08.45 - 10.15 Oral Session (Topic: Patient care: Clinical care/ Nursing Intervention) Nursing quality Chair: Martina Hasseler Assessment of possible natal factors in the prevention of epilepsy among children <u>Judie Arulappan</u> Sathish Kumar Jayapal The extend of person-centeredness and nursing care coordination in acute care: A cross-sectional descriptive study. <u>Heidi Petry</u> Jutta Ernst Rebecca Spirig Rahel Naef Analysis of inpatient fall logs in an Austrian Hospital <u>Magdalena Fischill</u> Christoph Meinhart Stakeholders' rating of a newly developed Swiss nurse-led care model: Modified RAND/ UCLA Appropriateness Method <u>Kornelia Basinska</u> Michael Simon Franziska Zuniga	08.45 - 10.15 Oral Session (Topic: Patient care: Patient perspective) Vulnerable people in special care situations Chair: Irmela Gnass Patient participation in 10 projects in palliative care: a multiple case study <u>Albine Moser</u> Inge Moes-Melchior Esther Stoffers Frits Sunjtens Anouk van der Heijden What happens when technology enters the home - a systematic and integrative review focusing home mechanical ventilator treatment <u>Berit Lindahl</u> Sue Kirk Everyday-life experiences of children and young people with home mechanical ventilation <u>Åsa Israelsson-Skogsberg</u> Berit Lindahl ICU patients' care needs during weaning: a qualitative study comparing the views of patients, relatives and health professionals <u>Adrienne Henkel</u> Hussels Björn Katharina Sillies Krotsetis Susanne Katrin Balzer	08.45 - 10.15 Oral Session (Topic: Mixed Topics) Nursing homes Chair: Sascha Köpke Behavioural and Psychological Symptoms of Dementia in German Nursing Homes: A Survey on Staff Perspective <u>Antje Schwinger</u> Chrysanthi Tsioloti Jürgen Klauber Looking inside the processes of the PECAN-intervention for nursing home residents with joint contractures: Results from a pilot cluster-RCT <u>Martin Mueller</u> Hanna Klingshirn Susanne Saal Katrin Beutner Gabriele Meyer Participation and Self-dependance of Residents Living in German Nursing Homes <u>Renate Stemmer</u> Sabine Glanz Nikolaus Meyer Claire Mack Using contextual assessment to guide implementation of evidence-based pain management guidelines in Swiss nursing homes <u>Thekla Brunkert</u> Franziska Zuniga Michael Simon	Poster exhibition Day 2
09.30				
10.00				
10.15	10.15-10.30 Coffee Break			
10.30	10.30-11.30 Symposium (Topic: Patient care: Clinical care/ Nursing Intervention) The 'Dutch approach' in community-based nursing: Four examples of innovations that aim to facilitate 'ageing-in-place' <u>Silke Metzelthin</u> Ruth Vogel Anne van den Bulck Theresa Thoma Thoma	10.30-11.30 Symposium (Topic: Nursing facilities and structures) Green Care Frams - An innovative Care Model for People with Dementia? <u>Karin Wolf-Ostermann</u> Annika Schmidt Ian Sherriff Ingeborg Pedersen Bram deBoer Hilde Verbeek	10.30-11.30 Symposium (Topic: Methodological issues) Using the MRC framework for developing and evaluating of complex interventions in geriatric nursing <u>Jens Abraham</u> Katrin Balzer Michel Bleijlevens Ralph Möhler Martin Müller Susanne Saal	Poster exhibition Day 2
11.00				
11.30	11.30-12.00 Poster viewing 2 at the poster exhibition			
12.00	12.00-13.00 Lunch Break			
13.00	13.00-14.30 Key Note Lectures - Prof. Helena Leino-Kilpi (Finland) & Prof. Evridiki Papastavrou (Cyprus) Chair: Sascha Köpke			Poster exhibition Day 2
13.30				
14.00				
14.30	14.30 - 14.45 Break			
14.45	14.45-15.45 Oral Session (Topic: Patient care: Patient perspective) Pregnancy and birth - a task for nurses Chair: Erika Sirsch Women's wishes and expectations of maternity care in Germany: Focus group conversations provide answers <u>Gertrud M. Ayerle</u> Elke Matern Susanne Lohmann Becoming mothers of preterm infants: A literature review on feelings of vulnerability <u>Neltjie Van Wyk</u> Ronell Leech Becoming the mother of a child with disabilities <u>Neltjie Van Wyk</u> Ronell Leech	14.45-15.45 Oral Session The importance of staffing (Topic: Nursing facilities and structures) Chair: Renate Stemmer International evidence on the staff-quality relationship in nursing homes <u>Ramona Backhaus</u> Hanneke Beerens Erik van Rossum Hilde Verbeek Jan P.H. Hamers How do staff and grade mix models work in practice? A contextual analysis of eight german resident homes <u>Hermann Brandenburg</u> The association between nursing home staff mix, residents' quality of life and caregivers' strain <u>Christian Grebe</u> Thomas Brijoux Hermann Brandenburg Cornelia Kricheldorf	14.45-15.45 Oral Session Quality indicators (Topic: Methodological issues) Chair: Sandra Bensch Risk-adjusted Quality Indicators for Nursing Homes using Multiple Logistic Regression <u>Kathrin Seibert</u> Mathias Fünfstück Heinz Rothgang Stefan Görres Martina Hasseler Sylvia Schmidt Werner Brannath Developing an algorithm to detect falls in the Electronic Health record: a diagnostic accuracy study <u>Barbara Schärer</u> Nicole Grossmann Gratwohl Franziska Jacques Donzé Stefanie Bachnick Franziska Zúñiga Sarah N. Musy Michael Simon Elderlies in home environment in rural areas. Methodological challenges and implications for ICT development. <u>Marcus Garthaus</u>	Poster exhibition Day 2
15.30				
15.45	15.45 - 16.00 Coffee Break			
16.00	16.00-17.00 Symposium (Topic: Methodological issues) Innovations in evidence synthesis – current methodological approaches and tools <u>Nicky Cullum</u> Julian Hirt Sascha Köpke Ralph Möhler Anke Steckelberg	16.00-17.00 Symposium (Topic: Nursing facilities and structures) CAPAN: Building Research & development CAPAcity in Nursing at a new University Hospital <u>Bibi Hølge-Hazelton</u> Mette Kjerholt Thora Grothe Thomsen	16.00-17.00 Symposium (Topic: Methodological issues) Methodological challenges and approaches in nursing home research <u>Bernhard Holle</u> Richter Christin Almuth Berg Gabriele Meyer Steffen Fleischer Ramona Backhaus Erik van Rossum Hilde Verbeek Elizabeth Capezuti Jan P.H. Hamers Franziska Zuniga Michael Simon Rebecca Palm	Poster exhibition Day 2
16.30				
17.00	17.05 - 17.45 Lecture of Nicky Cullum Poster award ceremony Sascha Köpke Closing			
17.30	Erika Sirsch, Vice President of German Society of Nursing Science
