

Dr. rer. Medic Ralph Möhler

Cochrane Germany

Medical Center - University of Freiburg

Breisacher Str. 153

Freiburg, Germany

Major research topics

- Development and Evaluation of complex interventions
- Systematic reviews and evidence synthesis (of complex interventions)
- Reduction of physical restraints in acute and long-term care settings
- Methods of evidence-based nursing and clinical research

Qualification and professional career

- Since 2016: Researcher, Cochrane Germany, Medical Center - University of Freiburg
- 2014 - 2016: Research Fellow, Martin Luther University Halle-Wittenberg, Institute for Health Care and Nursing Studies
- 2008 - 2016: Research Fellow, School of Nursing Sciences, Witten/Herdecke University
- Dr. rer. medic, School of Nursing Sciences, Witten/Herdecke University, Witten, Germany (2014)
- Master of Science in Nursing; Witten/Herdecke University, School of Nursing Sciences, Witten, Germany (2006)
- Diplom degree in Nursing; University of Applied Sciences, Frankfurt, Germany (2000)
