

Prof PA Scott

Brief CV

**P. Anne Scott is Professor and Vice President for Equality and Diversity, National University of Ireland, Galway.** Anne is an RGN and holds a BA in Philosophy and Psychology from Trinity College, Dublin and a PhD in Philosophy from the University of Glasgow. Over her career she has held a variety of leadership roles in universities including Head of School, Executive Dean, Deputy President and Registrar in both Irish and English university sectors. She has worked as a practitioner and academic in Kenya, Scotland, England and Ireland.

Anne's research interests include the philosophy and ethics of health care, judgement and decision-making in clinical practice and health services research - focusing on the health work force.

Anne has been a board member of a number of research funding and health service agencies in Ireland and the UK. She is also a member of the Task Force on Safe Nurse Staffing, Department of Health, Ireland since 2014. In July 2018 she was appointed Chair of the Board of HEANet, Ireland's national Research and Education Network.

#### **Research Funding**

Over my career I have obtained in excess of €3,000,000 in external, competitively won research funding from funding bodies such as the Health Research Board (Ireland), EU, Science Foundation Ireland, Irish Patients Association and National Advisory Committee on Drugs and Alcohol (NACD).

#### **PhD Supervision**

In total I have supervised twelve PhD students through to completion, 10 of these as sole, primary or senior supervisor.
