

Faculty of Health Science, School of Nursing

## CURRICULUM VITAE

### SUMMARY OF IMPACT

- \$5.3M in life time research funding as PI and \$31M as co-I from CIHR and Foundations
- 229 peer-reviewed publications
- 143 invited national and international presentations
- H-index of 45
- Nominated fellow, Canadian Academy of Health Sciences (2019)
- Elected member, Royal Society of Canada, College of New Scholars, Artists, Scientists (2015)
- University Research Chair in Knowledge Translation to Patients (2012-2022, renewable).
- CANO/ACIO-Pfizer Award of Excellence in Nursing Research (2012)
- Research findings used in clinical practice, continuing education for healthcare professionals, and health policy in Canada, Norway, United States, Denmark, United Kingdom, Australia

#### a. NAME:

**STACEY, Dawn**, Full Professor, Tenure Employee#: 100411  
 Member of the Office of Graduate and Postdoctoral Studies: yes  
[dstacey@uottawa.ca](mailto:dstacey@uottawa.ca); Twitter: @d\_stacey (438 followers)  
 Research program websites: <https://decisionaid.ohri.ca>; <https://ktcanada.ohri.ca/costars>

#### b. DEGREES:

PhD, Population Health, University of Ottawa, Canada, 2005  
 MScN, Nursing Science, University of Ottawa, Canada, 2000  
 BScN, Nursing Science, McMaster University, Canada, 1987

#### Professional Licenses and Certifications:

06/1987 to present Registered Nurse [RN], College of Nurses of Ontario  
 04/2001 to 09/2021 Certified Oncology Nurse Canada [CON(C)], Canadian Nurses Association

#### c. EMPLOYMENT HISTORY:

2014- Full Professor, School of Nursing, Faculty of Health Sciences, University of Ottawa  
 2010-2014 Associate Professor, School of Nursing, Faculty of Health Sciences, University of Ottawa  
 2005-2010 Assistant Professor, School of Nursing, Faculty of Health Sciences, University of Ottawa  
 1998-2012 Camp Nurse, Red Pine Camp – Golden Lake, Ontario (1 week per summer; not 2003)  
 2000-2005 Research Associate, Ottawa Health Research Institute  
 1991-2001 Education Coordinator, Ottawa Regional Cancer Centre, Ottawa, Ontario  
 1989-1991 Research Nurse Practitioner, McMaster University, Hamilton, Ontario  
 1989-1991 Education Instructor, Sheridan College, Oakville, Ontario  
 1987-1989 Pediatric Staff Nurse, Chedoke-McMaster Hospitals - McMaster Division, Hamilton, ON

#### d. ACADEMIC HONOURS:

- Fellow, Canadian Academy of Health Sciences, (September 2019)
- Elected member, College of New Scholars, Artists, and Scientists, Royal Society of Canada (2015)
- 2015 Canadian Cochrane Review of the Year Award (recognizing impact and quality)
- Best Abstract, International Shared Decision Making conference 2013 for Cochrane Review of patient decision aids for treatment or screening decisions, Lima, Peru
- University Research Chair in Knowledge Translation to Patients (2012-2022, renewable)
- Award of Excellence in Oncology Nursing Research, Canadian Oncology Nursing Association and Pfizer, November 2012

- Young Researcher Award, Faculty of Health Sciences, University of Ottawa, November 2009

e. **SCHOLARLY AND PROFESSIONAL ACADEMIC ACTIVITIES**

**Current Appointments:**

- 2018- Senior investigator, Centre for Research in Health and Nursing, Faculty of Health Sciences, University of Ottawa, Canada
- 2018- Assistant Director- Graduate Programs, School of Nursing, University of Ottawa, Canada
- 2016- Senior Scientist, Ottawa Hospital Research Institute, Ottawa, Canada (June 9, 2016 to June 8, 2022, renewable)
- 2014- Chercheure affiliée (Affiliated Researcher), Montfort Hospital Research Institute (March 10, 2014 to March 10, 2020 renewable)
- 2013- Cross-appointment, Faculty of Health Sciences, School of Nursing to Epidemiology and Community Medicine, Faculty of Medicine (October 1, 2013 to June 30, 2023)
- 2010- Director, Patient Decision Aid Research Group, Ottawa Hospital Research Institute
- 2009- Adjunct Professor, School of Nursing, Queen's University

**Past Appointments:**

- 2014-2017 Member at large – Research, Board of Directors, Canadian Association of Nurses in Oncology, Canada (October 2014 to October 2017)
- 2013-2018 Senior Investigator, Nursing Best Practice Research Centre, University of Ottawa, Canada
- 2016 Visiting Professor, School of Nursing and Midwifery, Deakin University, Geelong, Australia (November to December)
- 2011-2016 Scientist, Ottawa Hospital Research Institute, Ottawa, Ontario, Canada
- 2008-2013 Membre, Faculté des études supérieures, Université Laval
- 2008-2013 Associate Investigator, Nursing Best Practice Research Unit, Registered Nursing Association of Ontario and School of Nursing, University of Ottawa
- 2007-2013 Professeure associée, Département de médecine sociale et préventive, Faculté de médecine, Université Laval
- 2007-2010 Co-Chair, Evidence-Informed Decision Making Research Network, University of Ottawa
- 2009-2010 Profesor Visitante, Escuela de Enfermería, Pontificia Universidad Católica de Chile, Santiago, Chile
- 2006-2018 Member, Faculty of Graduate and Postdoctoral Studies, University of Ottawa
- 2006-2015 Academic Appointment, The Ottawa Hospital, Ottawa Ontario, Canada (renewed 2009, 2012)
- 2006-2011 Associate Scientist, Ottawa Hospital Research Institute, Ottawa, Ontario, Canada

**Current Memberships:**

- 2019- Co-host, International Shared Decision Making conference, Quebec City, July 7 to 10
- 2019 Co-Chair, Scientific Planning Committee, ISDM2019 conference, Quebec City, July 7-10
- 2018- Chair, Graduate Programs Committee, School of Nursing (January 2018 to present)
- 2018- Chair, Scientific Committee, International Shared Decision Making Conference 2019 in Quebec City, Canada (June 2018 to present)
- 2017- Advisory board member, Centre for Shared Decision Making, Hospital Lillebaelt, Denmark (April 2017 to present)
- 2017- Member, Canadian Association of Nurses in Oncology Research Committee, Canada (October 2017 to present)
- 2016- Member, Optimizing Clinical Practice in Ontario Task Force, Toronto, Ontario
- 2014- Faculty, Knowledge Translation Canada Summer Institutes Committee, Canada
- 2010- Member, Shared Decision Making Working Group, Ministry of Health, Saskatchewan
- 2007- Lead of the pan-Canadian Oncology Symptom Triage and Remote Support (COSTaRS) Team

**Past Memberships**

- 2019 Member, CIHR Health Research Training B – HP Peer review committee.
- 2019 Selection Committee, Royal Society of Canada, College of New Scholars, Artists, Scientists
- 2018 Selection Committee, Royal Society of Canada, College of New Scholars, Artists, Scientists
- 2017 Member, Graduate Programs Committee, School of Nursing, University of Ottawa
- 2016 Expert Panel Member, National Quality Forum Decision Aid, Washington DC
- 2015 Member, Scientific Program Committee, International Shared Decision Making and International Society for Evidence Based Health Care Conference 2015, Sydney Australia
- 2014-2017 Member, Faculty Teaching Personal Committee, Faculty of Health Sciences, University of Ottawa, Canada (September 2014 to June 2017)
- 2014-2017 Chair, Canadian Association of Nurses in Oncology Research Committee, Canada (October 2014 to October 2017)
- 2014-Mar Mentor, Health Care, Technology, and Place: CIHR Strategic Research and Training Program, University of Toronto, Toronto, Canada
- 2014-2015 Member, Patient Experience Measurement and Performance Committee, Cancer Care Ontario
- 2013-2014 Member, Canadian Association of Nurses in Oncology (CANO/ACIO) Research Committee
- 2013-2015 Member, Data Safety and Monitoring Board. Nurse-led Immunotherapy DEcision Coaching In persons with relapsing-remitting Multiple Sclerosis (DECIMS) - a multi-centre, evaluator-blinded cluster-randomized-controlled trial. Funded by the German Ministry of Education and Research within the Competence Network Multiple Sclerosis. Principal Investigators: C Heesen and S Kopeke at University Medical Center Hamburg and University of Lubeck.
- 2013-2017 External Advisor, Thomas Rotter PhD, Chair in Health Quality Improvement Science, University of Saskatchewan, Saskatoon, Saskatchewan
- 2013 Member, Scientific Committee, International Shared Decision Making Conference 2013, Lima, Peru
- 2013 Lead Faculty, Knowledge Translation Canada 2013 Summer Institute, Hamilton, Ontario
- 2012 Faculty Member, 2012 Summer Institute in Informed Patient Choice (July), Dartmouth College, Hanover, New Hampshire, USA
- 2011 Member, Scientific Committee, International Shared Decision Making Conference 2011, Maastricht, Netherlands
- 2011 Lead Faculty, Knowledge Translation Canada 2011 Summer Institute (June), Toronto
- 2011-2012 Member, Advisory Committee, Advanced Patient-Centered Care: Federal and State Implementation of a Shared Decision Making Model, National Academy for State Health Policy, Washington, DC. The following is the publication in which I was acknowledged for my contributions to drafting the paper: Shafir A & Rosenthal J (2012, March). Shared decision making: advancing patient-centred care through state and federal implementation. National Academy for State Health Policy. Available at [www.nashp.org](http://www.nashp.org).
- 2010-2011 Member, Governance Committee, Tau Gamma Chapter, Sigma Theta Tau International
- 2010-2011 Member, Allied Health Professionals – Fellowships Peer-review committee, Canadian Institutes of Health Research
- 2010 Lead Faculty, Knowledge Translation Canada 2010 Summer Institute (August), Calgary
- 2010 Faculty Member, 2010 Summer Institute in Informed Patient Choice (June), Dartmouth College, Hanover, New Hampshire, USA
- 2010 Member, Scientific Committee, 16<sup>th</sup> International Conference on Cancer Nursing 2010, Atlanta, Georgia.
- 2009-2011 Member, Advisory Committee for a knowledge translation study ‘Evaluating an online Learning portal supporting the implementation of stroke care clinical practice guidelines’, Ottawa Health Research Institute, Ottawa, Canada
- 2009-2010 Member, International Strategic Plan Working Group, School of Nursing, University of Ottawa

- 2009 Lead Faculty, Knowledge Translation Canada 2009 Summer Institute (August), Toronto
- 2009 Member, Scientific Committee, International Shared Decision Making Conference 2009, Boston, USA
- 2008-2010 Member, Nursing Best Practice Research Unit's Joint Management Committee.
- 2008-2009 Member, Advisory Committee, Chronic Disease Self-Management Project, Elisabeth Bruyère Research Institute (funded by the Local Health Integration Network, Champlain)
- 2007-2009 Member, RNAO Best Practice Guideline Development Panel "Decision Making in Patients with Chronic Kidney Disease", Toronto, ON
- 2007-2008 Lead Faculty, 2008 Summer Institute in Informed Patient Choice, Dartmouth College, Hanover, New Hampshire, USA
- 2007 Member, Expert Advisory Panel for HealthLines Services BC (HLSBC) to explore best practices for call centre nursing services in support of chronic disease management
- 2007 Member, Scientific Committee, International Shared Decision Making Conference 2007 (May), Freiburg, Germany

### **Knowledge Translation to Stakeholders**

- 2015-2017 Invited by Dan Lessler, Chief Medical Officer, to attend the Washington Shared Decision Making Stakeholder Conference (05/2015) to discuss process and criteria for certification of patient decision aids. Then collaborated on the selection of criteria for certifying patient decision aids and created the training program for applying the criteria from the International Patient Decision Aid Standards, Seattle, Washington, USA.
- 12/2016 Invited by Lucy Cuddihy, Chief Nursing Officer Barwon Health to participate in an expert working group discussing strategies to enhance patient engagement in decisions about their hospital care as part of the revised accreditation standards, Geelong, Australia.
- 12/2016 Invited by Ann Maree Keenan, Chief Nurse and Midwifery Officer, Victoria Department of Health and Human Services, for a meeting to discuss engagement of patients in health care, Melbourne, Australia.
- 11/2016 Invited by Brigid Clarke, Manager Consumer Partnerships and Quality Standards, Victoria Department of Health & Human Services for meeting to discuss engagement of patients in health care and relevance to new Australian hospital accreditation standards, Melbourne, Australia.
- 09/2016 Invited by Tone Brathen, Senior Adviser at the Norwegian Directorate of Health to present and participate at an invitational expert working group on establishing quality criteria for patient decision aids, Oslo, Norway.
- 04-10/2016 Invited by Helen Burstin, Chief Scientific Officer at the National Quality Forum to participate on an expert panel to develop national consensus standards and a certification process for patient decision aids, Washington, DC.
- 02/2016 Invited by Trudy van der Weijden, to attend an invitational expert working group on a framework for knowledge and decision support tools. Leiden, Netherlands
- 2016- Invited by Doris Grinspun and Jeremy Grimshaw, to be a member of the Optimizing Clinical Practice in Ontario Task Force, Toronto, Ontario.
- 05/2015 Invited by Dr. Dan Lessler, Chief Medical Officer, to attend the Washington Shared Decision Making Stakeholder Conference to discuss process and criteria for certification of patient decision aids. Washington State Health Care Authority is the first in the world to require use of certified patient decision aids in their health legislation and is the first to be initiating certification.
- 2014 Website for the University Research Chair in Knowledge Translation to Patients <http://decisionaid.ohri.ca> had about 80,000 unique visitors making 264,000 visits generating 730,000 page views and 111,000 downloads from January to December 2014.
- 10/2014 Invited by the Australian Commission on Safety and Quality Health Care, Sydney, Australia to attend meetings and present to a range of stakeholders on shared decision making, patient

- decision aids, international standards, and implementation to inform discussions about wide scale implementation of shared decision making and patient decision aids in clinical practice and curriculum across Australia.
- 09/2013 Invited by the Eisenberg Center for Clinical Decisions and Communication Science at Baylor College of Medicine, Houston, Texas to present at the Eisenberg Conference Series 2013 Meeting on “Tools for shared decision-making: State of the science and research needs”. The conference series aims to identify research priorities for the Agency for Healthcare Research and Quality, Rockville, Maryland.
- 02/2013 Invitee, CIHR Patient-Oriented Research Training and Career Development, Ottawa, Ontario
- 2011-2012 Sabbatical with the Saskatchewan Ministry of Health, Regina, Saskatchewan  
2012 Taking a stand on patient education: Supporting patients to get involved in making health decisions. Story written about my research program by Dr. Zoe Jordan and Gavin deAlmeida in PACEsetterS, Joanna Briggs Institute, Adelaide, Australia.
- 03/2011 Invitee, Certification of Patient Decision Aids meeting, New America Foundation, Washington DC (1 of 20 participants (inc 3 international) to discuss and produce white paper to inform R. 3590 Patient Protection and Affordable Care Act of 2010 section 936, Washington, DC)
- 03/2010 - Collaborating with Champlain Local Health Integration Network’s Regional Hip and Knee Replacement Program to implement patient decision aids within the process of care.
- 2006 -2012 Co-Chair, Patient Decision Support Reflective Practice Group, The Ottawa Hospital and University of Ottawa. The purpose is to provide a forum at the leading edge for nurses, other health professionals, and graduate students with a common interest in Patient Decision Support Research to engage in discussion, networking, peer support, sharing of information, and/or conducting research projects.

**Reviewer for:**

- 2018 Peer-Reviewer for Patient Education and Counseling and Health Expectations
- 2017-05 Peer-Reviewer for JAMA, Patient Education and Counseling
- 2017-04 Reviewer, applications for KT Canada Summer Institute
- 2017-03 Abstract Reviewer, Canadian Association of Nurses in Oncology annual meeting
- 2016-04 Abstract Reviewer, International Society of Nurses in Cancer Care, Annual Conference
- 2016-04 Abstract Reviewer, Canadian Oncology Nursing Association Annual Conference.
- 2016-03 Reviewer, KWF-STW Partnership, Technology for Oncology Grant Competition, Utrecht, Netherlands
- 2014-Dec Reviewer, Rick Hansen Postdoctoral Fellowship, University of Ottawa, Canada
- 2014-Feb Abstract Reviewer, International Society of Nurses in Cancer Care, International Conference of Cancer Nursing
- 2013-2015 Reviewer, Canadian Oncology Nursing Journal
- 10/2012 Grant Peer Reviewer, The Netherlands Organisation for Health Research and Development
- 04/2010 Expert reviewer for the Peer to Peer Mentoring: Facilitating Individuals with Early Inflammatory Arthritis to Manage their Arthritis – Peer Mentor Training, Mary Bell, Sunnybrook Health Sciences Centre, Toronto
- 2010 Referee for journals: CANCER
- 2009 Referee for journals: International Journal of Nursing Education Scholarship, Current Oncology

Honours Papers	1	15			16

\*program other than University of Ottawa nursing: 1 Université Laval, 1 Pontificia Universidad Catolica de Chile; 1 Université de Sherbrooke; 2 Clinical Epidemiology Program, University of Ottawa; 1 University of Malaysia; 1 Dartmouth College, New Hampshire; 1 Queen's University; 1 University of Wollongong, Australia, 1 Deakin University, Australia, 1 Aarhus University, Denmark

**Supervision/Co-supervision Completed****Post-doctoral fellowship**

1. Aubri Hoffman (Post-Doc, Dartmouth College, New Hampshire). Decision support in elderly. June 2011-2014. Co-supervised with Stephen Bartels. (Instructor, Department of Health Services Research, University of Texas M.D. Anderson Cancer Center Office)
2. Jibb L (Post-doctoral Fellowship, Nursing). Shared decision making in pediatric cancer. (Co-supervised with Pamela Hinds RN PhD FAAN, George Washington University, DC). Funding: CIHR Fellowship \$50,000/year 2016-2018. Assistant Professor, University of Ottawa School of Nursing (July 2017); Research chair and Assistant Professor, University of Toronto School of Nursing (April 2019)
  - \*Jibb LA, **Stacey D**, Carley M et al. for the COSTaRS Team. (in press). Research priorities for the pan-Canadian Oncology Symptom Triage and Remote Support (COSTaRS) practice guides: a modified nominal group consensus. *Current Oncology*.

**PhD**

1. Laura Boland (PhD population health). Barriers and facilitators to shared decision making in pediatric health care. September 2013-September 2018. Funding of \$40,000 for 2 years from the Technology Evaluation in Frail Elderly Network (TVN), Kingston, Ontario. Funding Queen Elizabeth II Graduate Scholarship in Science and Technology \$15,000, Ontario Ministry of Training, Colleges and Universities 2015-2016 and 2016-2017. Distinction: identified as top 5% of PhD students at the University of Ottawa with \$1000 CIHR travel award. CIHR Post-Doctoral Fellowship ranked #1 (2019 -2022)
  - \*Boland L, Graham ID, Légaré F et al., **Stacey D**. (2019). Barriers and facilitators of pediatric shared decision making: a systematic review. *Implementation Science*.
  - \*Boland L, Lawson ML, Graham ID, Légaré F, Dorrance K, Shephard A, **Stacey D**. (2019). Post-training shared decision making behaviours and facilitators for pediatric healthcare providers: A mixed-methods study. *Academic Pediatrics*.
  - \*Boland L, Légaré F, Carley M, Graham ID, O'Connor AM, Lawson ML, **Stacey D**. (2019) Evaluation of a shared decision making educational program: The Ottawa Decision Support Tutorial. *Patient Education and Counseling*.
2. Krystina Lewis (PhD, nursing). Decision support for individuals with implantable cardiac defibrillators considering replacement. September 2013-June 2018 (leave of absence May 2016 to April 2017). Funding from The Ottawa Hospital Foundation \$2000, 2014-2015. CIHR Fellowship \$50,000/year 2016-2018. Assistant Professor, University of Ottawa School of Nursing (contract start date July 2018). Governor General's Gold Medal award recipient (2019).
  - Lewis K, Birnie D, Carroll S, **Stacey D**. (2018) User-centered development of a decision aid for patients facing implantable cardioverter-defibrillator replacement: A mixed

- methods study. *Journal of Cardiovascular Nursing*. 33(5): 481-491.
- \*Lewis KB, Carroll SL, Birnie D, **Stacey D**, Matlock DD. (2018). Incorporating Patients' Preference Diagnosis in Implantable Cardioverter-Defibrillator Decision-Making: A Review of Recent Literature. *Current Opinion in Cardiology*. 33(1):42-49. doi:10.1097/HCO.0000000000000464
  - \*Lewis K, **Stacey D**, Carroll SL, Boland L, Sikora L, Birnie D (2016). Estimating the Risks and Benefits of Implantable Cardioverter-Defibrillator Generator Replacement: A Systematic Review. *Pacing Clin Electrophysiol*. 39(7), 709-722. doi: 10.1111/pace.12850
3. Intissar Souli (PhD, nursing). Interventions to de-escalate aggression in hospitalized patients. 2013-March 2018 (first nurse in Tunisia to complete a PhD).
    - Souli I, Vandyk A, Versailles D et al., **Stacey D**. (2018). Les obstacles et les facilitateurs à l'utilisation de l'évaluation du risque de violence auprès des personnes ayant des troubles mentaux : perceptions du personnel soignant. *Recherche Soins Infirmiers*. Jun;(133) 45-57.
  4. Daniel Nagel (PhD, nursing). Knowing the patient through telehealth: A grounded theory study. May 2013-March 2017. Co-supervised with Josephine Etowa. Funding from Saint Elizabeth \$5,000. Fellowship of \$15,000 for 1 year from the Health Care, Technology, and Place CIHR Strategic Research and Training, Toronto, Ontario. Faculty position, University of New Brunswick, School of Nursing (2017 to present)
    - Nagel DA, **Stacey, D**, Momtahan K, Gifford W, Doucet S, Etowa J. (in press). Getting a picture: A grounded theory of nurses knowing the person in a virtual environment. *Journal of Holistic Nursing*. DOI: 10.1177/0898010116645422
    - Nagel DA, Penner JL (2016). Conceptualizing telehealth in nursing practice: Advancing a conceptual model to fill a virtual gap. *J Holist Nurs*, 34(1): 91-104.
  5. Ghadah Abdullah (PhD, nursing). Mentoring as a knowledge translation intervention to inform clinical practice: A multi-methods study. March 2013-June 2015. Funding from the Saudi Arabia Government \$49,474.80/year. Deputy Director of Nursing for Critical Care and Emergency Department, King Abdulaziz University Hospital, Saudi Arabia.
  6. Janet Jull (PhD Population Health). Cultural Adaptation of a Shared Decision-Making Intervention to Address the Needs of First Nations, Métis and Inuit Women. 2011-2014. Funding from KT Canada STIHR Fellowship of \$40,000 over 2 years. KT Canada student research funding \$15,000. CIHR Funding for Post-doctoral Fellow, University of Ottawa with Dr. I Graham.
  7. Gail Macartney (PhD, nursing). Symptom experience and quality of life in children who have survived a brain tumour. Sept 2009-April 2013. Co-supervised with Margaret Harrison and Liz van den Kerkhoff at Queen's University. (Director, Nursing Research and Knowledge Translation, Children's Hospital of Eastern Ontario, Ottawa; Adjunct Professor, University of Ottawa)
  8. Jennifer Kryworuchko (PhD, nursing). An intervention to involve family in decisions about life support. Sept 2005-Nov 2011. Co-supervised with Ian Graham at the University of Ottawa. Associate Professor, University of British Columbia (2016 to present).

### **Masters**

1. Freya Crawley/Kelly (MScN). Adapting evidence-informed cancer symptom practice guides for cancer survivors. September 2015 – present. Funding Frederick Banting and Charles Best Canada Graduate Scholarship \$17,500, 2016-2017.
  - \*Kelly F, †Liska C, †Morash R, \*Hu J, Carroll SL, Shorr R, Dent S, Stacey D. (epub). Shared medical appointments for patients with a non-diabetic physical chronic illness: A systematic review. *Chronic Illness*; accepted for publication August 10, 2017.
  - \*Kelly F, Carroll S, Carley M, Dent S, Shorr R, \*Hu J, †Morash R, **Stacey D**. Symptom Practice guide for telephone assessment of patients with cancer treatment-related cardiotoxic dyspnea: Adaptation and evaluation of acceptability. *BMC: Cardio-oncology*.

- 3(7), 1-12.
2. Robert Wu (MSc Epi). Evaluation of a rectal cancer patient decision aid and the factors influencing its implementability in clinical practice. 2012-2015. Funding from the Physicians' Services Incorporated Foundation: \$20,000 over 1 year. Awarded December 2013 for project titled "The Evaluation of a rectal cancer decision aid and the factors influencing its implementation in clinical practice". Surgical resident, University of Ottawa.
    - Wu R, †Boushey R, Potter B, **Stacey, D.** (2014). The evaluation of a rectal cancer decision aid and the factors influencing its implementation in clinical practice. *BMC Surgery* 2014;14:49. DOI:10.1186/1471-2482-14-49.

  5. Deanne McArthur (MScN). Factors influencing engagement in physical activity in women during the transition to menopause. Sept 2009- Dec2011. Nurse Practitioner, Peterborough.
    - McArthur D, Dumas A, Woodend K, Beach S, **Stacey, D.** (2014). Factors influencing adherence to regular exercise in middle-aged women: a qualitative study to inform clinical nursing practice. *BMC Women's Health*, 14:49. DOI:10.1186/1472-6874-14-49.
    - McArthur D, Beach S, **Stacey, D.** (2013). Evidence on bodyweight changes for perimenopausal women: An environmental scan of publically accessible resources. *Canadian Journal of Nursing Informatics*. 8(3): 1-9.
  6. Alexis de Rosenroll (MScN). Perspectives of patients' significant others in dialysis modality decision making. September 2009 to September 2011.
    - de Rosenroll A, Higuchi KS, Dutton KS, Murray MA, **Stacey, D.** (2013). Perspectives of significant others in dialysis modality decision-making: A qualitative study. *CANNT Journal*, 23(4), 17-24. Editorial Board Journal Award winner 2014.
  7. Carolin Fiege (MScN). Decision making experiences of nurses choosing to work in critical care September 2009 to September 2011. Clinical Nurse Educator, Queensway Carleton Hospital, 2014.

8. Ayub Akbari (MSc Epidemiology) Assessment of referral patterns to nephrologists after eGFR reporting, Sept 2006 to December 2010. Co-supervised with Jeremy Grimshaw. Nephrologist, The Ottawa Hospital.
9. Claudia Bustamante (MScN, Pontificia Universidad Catolica de Chile), Validation of a Spanish version of a decision support tool for chronic disease management, April 2006-April 2009. Co-supervised with Solange Campos. Assistant Professor, Pontificia Universidad Católica de Chile.
  - a. Bustamante C, Alcayaga C, Carola Perez J, Campos S. (2013). Validacion inicial de un instrument de analisis del apoyo a la toma de decisions para el manejo de enfermedades cronicas. Aquichan. Vol. 13, No. 3, 396-406
10. Alexandra-Cristina Paunescu (MSc, Epidemiology, Université de Laval), Évaluation d'un outil d'aide à la décision en matière de stérilisation masculine, Sept 2006-Aug 2008. Co-supervised with Michel Labrecque
11. Prudy Menard (MScN), Evaluation of a natural health product patient decision aid: A tool for middle aged women considering menopausal symptom relief, Sept 2005-November 2008.

#### **4<sup>th</sup> Year**

1. Sophia Siedlikowski (4<sup>th</sup> year Biomedical Science Honours). The decision-making needs of adults facing health decisions: A systematic review. University of Ottawa, 2016. From 2016 to present enrolled in Master's of Ethics at McGill University, Montreal

#### **Supervision/Co-supervision in progress**

##### **PhD**

1. Robin Devey (PhD, nursing). Mentoring new nursing graduates. September 2015 – present (leave of absence September to December 2018)
2. Claire Ludwig (PhD, nursing). Patients as integrated members of research teams. September 2016 – present (leave of absence September 2017 to April 2018).

##### **MScN**

1. Lauren Hoefel (MScN). Decisional needs of adults and children making health decisions (June 2018 to present).

#### **Thesis Examiner:**

##### **PhD**

1. Pernille Gabel (PhD). To screen or not to screen: a decision aid to support informed decision making in colorectal cancer screening. Aarhus University, Aarhus, Denmark, April 2019.
2. Nicholas Zdenkowski (PhD). Supporting decision-making for women with breast cancer. University of Sydney, Medicine, Sydney, Australia, March 2018.
3. Rania Al dweik (PhD). Spontaneous adverse drug reaction reporting by health consumers in Canada: A multi-methods study. University of Ottawa, Ottawa, Canada, May 2016.
4. Shu-Wen Chen (PhD). Decision-making on birth choices following a caesarean delivery in Taiwan. Deakin University, Melbourne, Victoria, Australia, February 2015.
5. John Carmody (PhD). Driving with dementia. University of Wollongong, NSW, Australia, January 2015
6. Lee Yew Kong (PhD). Developing a model of patient values in shared decision making University of Malaysia, September 2013.
7. Janice Bissonnette (PhD). Evaluation of an Advanced Practice Nurse/Physician Collaborative Chronic Kidney Care Model for Renal Transplant Patients. University of Ottawa, March 2011.
8. Vivian Welsh (PhD). What is the role of systematic reviews in tackling health inequity? University of Ottawa, April 2010.

9. Mary Ann Murray (PhD). Assessing and addressing research-practice gaps in practitioner's provision of decision support for terminally-ill patients considering the place of their end-of-life care: design and evaluation of a multi-faceted educational intervention. University of Ottawa, May 2009.

#### **Masters**

10. Melissa Demery Varin (MScN). Modeling the predictors of nurses' research use in Canadian long-term care homes. August 2018.
11. Marjorie Bowman (MScN). Quality of Life in Multiple Sclerosis. February, 2016
12. Pearl Atwere (MSc – Epi). Evaluation of informed consent documents used in critical care trials. University of Ottawa, September 2015.
13. Liza Padilla (MScN). Transitioning with an ostomy: The experience of patients with cancer following hospital discharge. University of Ottawa, June 2013.
14. Sophia Gocan (MScN). How is Interprofessional Collaboration Making a Difference in Tobacco Dependence Treatment. University of Ottawa, October 2012.
15. Julia Sohi (MSc) Favoriser la communication entre les professionnels de la santé, le patient et ses proches dans le processus de choix de soins en contexte de maladie grave: planification d'une intervention dans le cadre d'une recherche-action. l'Université du Québec en Abitibi-Témiscamingue (UQAT) et l'Université de Sherbrooke. December 2010.
16. Vicki Meyouhas (MScN). The experiences of oncology nurses who provide bereavement support. University of Ottawa, August 2010.
17. Kathy Vandemheen (MScN). Evaluation of a decision aid for adults with cystic fibrosis considering lung transplant. University of Ottawa, November 2009.
18. Claudia Bustamante (MScN). Validation of a Spanish version of an instrument to evaluate support provided by health professionals to patients with chronic diseases. Pontificia Universidad Catolica de Chile, Santiago, Chile, April 2009.
19. Alexandra-Cristina Paunescu (MSc). Évaluation d'un outil d'aide à la décision en matière de stérilisation masculine. Université Laval, May 2008.

#### **Comprehensive examination examiner:**

1. Claire Ludwig (PhD – nursing), University of Ottawa, June 2018
2. Jesse Elliot (PhD – epidemiology), University of Ottawa, April 2017
3. Robin Devey (PhD – nursing), University of Ottawa, December 2016
4. Brianne Wood (PhD – epidemiology), University of Ottawa, July 2015
5. Kristen Haase (PhD – nursing), University of Ottawa, October 2014
6. Krystina Lewis (PhD – nursing), University of Ottawa, October 2014
7. Daniel Nagel (PhD – nursing), University of Ottawa, July 2013
8. Gail Macartney (PhD – nursing), Queen's University, November 2010

#### **Dissertation Proposal Reader/Examiner**

1. Stina Andersen (PhD), Southern Denmark University, Denmark, December 2016. (title: The use of a decision aid in the choice of surgery for herniated disc)
2. Gino De Angelis (PhD – Rehabilitation Sciences), University of Ottawa, August 2014
3. Rania Al deweik (PhD – Population Health), University of Ottawa, May 2014

#### **Honours Papers in MScN program**

1. Sonya Boersma (MScN). Teaching nurses hand expression: A quality improvement project. September 2012-April 2013
2. Najma Boomgaardt (MScN). An exploratory-descriptive Project: improving perceived self-efficacy amongst nurses caring for people that hear distressing voices. Sept 2012-April 2013
3. Enaohwo Eyitemi. (MScN). Identifying decisional conflict and decision implementation needs as a means of minimizing attrition from peritoneal dialysis as a modality for renal replacement

- therapy: A quality improvement project. September 2012-April 2013
4. Cindy Pallister. (MScN). Evidence-based immunization for health science students: A quality improvement project. September 2012-April 2013
  5. France Venne. (MScN). Breastfeeding class for patients: A quality improvement project. September 2012-April 2013.
  6. Rebecca McCarvill. (MScN). Education intervention on insulin therapy and injection technique for staff nurses: A quality improvement project. September 2012-April 2013
  7. Kelly Shaw. (MScN). Quality improvement initiative focused on staff engagement using the national health service sustainability model. September 2012-April 2013
  8. Jacqueline Abernethy. (MScN). Mindfulness-based stress reduction to help nurses learn to cope with burnout and compassion fatigue. September 2012-April 2013.
  9. Alyssa Bryan. (MScN). HIV disclosure counseling and documentation practices: A quality improvement project. September 2012-April 2013.
  10. Jeff Kilbreath. (MScN). Sustaining an obesity treatment program in primary care: A quality improvement project. September 2012-April 2013.
  11. Ruth Camp. (MScN). Chronic disease self-management support: A quality improvement project for home care nurses. September 2012-April 2013.
  12. Kristen Thompson. (MScN). Knowledge to Action: Postoperative patient teaching following ostomy surgery: A quality improvement project. September 2012-April 2013
  13. Tammy Rogers. (MScN). Exploration of the usefulness of a tool to assess caregiver burden in dementia: A qualitative outcome analysis. September 2012-April 2013
  14. Sophia Bucking. (MScN). Bereavement support for NICU nurses: An in-depth qualitative needs assessment. September 2012-April 2013.
  15. Beth O'Halloran. (MScN). Supporting nurses to provide culturally competent care to mothers from Baffin Island: A qualitative study. September 2012-April 2013

**g. GRADUATE COURSES - TEACHING:**

2009 to present	Decision Making in Clinical Practice (NSG6133)
2017	Research Methods in Nursing (NSG5140)
2014 to 2016	Prise de décisions en situation clinique (NSG6533)
2012 to 2013	Intervention Design in Advanced Nursing Practice (NSG6401) (Graduate Student, Alyssa Bryan, won 2013 CNS Student Award for the CNS Association of Ontario)
2011 to 2012	Academic leave
2009 to 2010	Research Methods and Design Problems in Nursing (NSG7102)
2009 to 2011	Knowledge Transfer for Health Services and Policy Research (HSR6120)

**h. LIFETIME SUMMARY RESEARCH FUNDING**

Type of funding	Total in CAD
PI	\$822,730
Co-PI	\$4,468,028
Co-Investigator	\$31,015,467
Internal	\$286,868
Contracts	\$184,958
<b>TOTAL</b>	<b>\$36.7 million</b>

**RESEARCH FUNDING** (for past 8 years):

<u>Year</u>	<u>Source/Title/Role</u>	<u>Amount</u>
2019- 2020	TOHAMO's Innovation Grant: Creation and Implementation of a Risk-Stratified Patient Decision Aid to Improve the Appropriateness of Postoperative Extended Thromboprophylaxis in Patients Undergoing Abdominal Surgery for Cancer Role: co-I (PI: M Carrier, R Auer); contribution 3%	
2019- 2020	Canadian Institutes of Health Research- Project Grant Decision coaching for people preparing to make health decisions: A systematic review using an integrated knowledge translation approach (FRN# PJT-162135) Role: PI; contribution 25%	\$114k
2018- 2025	Canadian Institutes of Health Research - Foundation Grant Scaling up shared decision making for patient-centred care Role: Project Expert (PI: F Légaré); contribution 2%	\$1.5m
2017- 2018	Canadian Cancer Society Knowledge to Action Evaluating the impact of breast and prostate cancer screening decision aids accessed through the McMaster Optimal Aging Portal Role: Co-I (PI: Dobbins); contribution 5%	\$100k
2017- 2019	TOHAMO Quality & Patient Safety Improving patient experience through patient-oriented, personalized preoperative risk communication Role: Co-I (PI: DI McIsaac); contribution 2%	\$18k
2017- 2018	TOHAMO Quality & Patient Safety A patient-centered decision aid and experience survey for choosing between partial and radical nephrectomy for complex localized renal tumors Role: Co-I (PI: L Lavelee); contribution 2%	\$14k
2017- 2018	Cancer Care Ontario – Clinical Programs and Quality Initiatives Evaluating impact of telephone nursing services for adults with cancer on emergency visits Role: PI; contribution 10%	\$62k
2017- 2018	Canadian Institutes of Health Research Cancer symptom management using evidence-informed practice guides: A meeting to prioritize and plan for a large scale implementation study Role: PI; contribution 10%	\$10k
2017- 2020	Canadian Institutes of Health Research SPOR Innovative Clinical Trial Using big data to conduct innovative cardiovascular clinical trials Role: Co-I (PI: J Tu); contribution 1%	\$3m
2016- 2017	Ontario Institute for Cancer Research Knowledge Translation Research Network Cancer symptom management by radiation therapists: Evaluating implementation of evidence-informed practice guides Role: PI; contribution 10%	\$71k
2016- 2021	Canadian Institutes of Health Research - Foundation grant Design for better health: User-centred design and evaluation of interactive media for health education, communication and decision making Role: Project Expert (PI: H Witteman); contribution 1%	\$1.4m

2016-	Canadian Frailty Network (National Centre of Excellence)	\$100k
2017	Understanding what matters most: Exploring patient preferences for experiences of patient-centered inpatient care among elderly Canadians Role: Co-I (PI: N Bansback); contribution 2%	
2016-	EuroQol Research Foundation	\$319k
2018	A PROMs based patient decision aid for patients considering total knee arthroplasty: development and a pilot randomized controlled trial Role: Co-I (PI: N Bansback, D Marshall); contribution 2%	
2015-	Labarge Optimal Aging Initiative	\$99k
2016	Helping Canadians get more involved in health and healthcare decisions: Adding a decision aids database to the McMaster optimal Aging Portal Role: Co-I (PI: JN Lavis); contribution 5%	
2015-	Canadian Institutes of Health Research – Foundation Grant	\$3.3m
2022	Moving knowledge into action for more effective practice, programs, and policy: A research program focusing on integrated knowledge translation Role: Project Expert (PI: ID Graham); contribution 2%	
2015-	Canadian Institutes of Health Research – Foundation Grant	\$2.1m
2022	Promoting Implementation of Evidence-Based Care Role: Project Expert (PI: J Grimshaw); contribution 1%	
2015-	Canadian Cancer Society	\$100k
2017	Cancer symptom management in homecare: Evaluating implementation of evidence-informed practice guides Role: PI; contribution 10%	
2015-	Canadian Cancer Society	\$50k
2016	Implementation of a prostate cancer decision aid within routine clinical practice: Evaluation of patient outcomes and practice variation Role: PI; contribution 10%	
2015-	Canadian Cancer Society	\$100k
2016	Increasing Use of Contralateral Prophylactic Mastectomy: A Concern for Over-Aggressive Treatment of Breast Cancer Patients in Canada Role: Co-I (PI J Squires); contribution 5%	
2015-	CANet – Canadian Arrhythmia Network	\$730k
2018	Optimal Management of Low-Risk Syncope Patients Role: Co-I (PI: V Thiruganasambandamoorthy); contribution 1%	
2015-	Centre Nationale Francophone en Sante (CNFS)	\$55k
2017	Développement d'une formation en français sur l'approche de recherche collaborative [Develop a French training program on co-production in research] Role: Co-PIs: D Prud'homme, <b>D Stacey</b> : Contribution 5%	
2015-	Ontario Institute for Cancer Research/Cancer Care Ontario Knowledge	\$99k
2016	Translation Increasing use of Contralateral Prophylactic Mastectomy Role: Co-I (PI: J Squires, A Arnaout); contribution 5%	
2014-	Canadian Institutes of Health Research – Operating Grant	\$680k
2017	Implementing shared decision making in interprofessional home care teams Role: Co-PI with F Légaré; contribution 10%	

2014-	Canadian Cancer Society Research Institute	\$100k
2016	Use of innovative knowledge translation strategies to reduce overuse of medical imaging in early stage breast cancer Role: Co-I (PIs: J Squires, A Arnaout); contribution 2%	
2014-	Technology Evaluation in the Elderly (TVN)	\$700k
2016	Improving the decision making process of frail elderly and their caregivers regarding whether to stay at home or move to a care facility Role Co-PI with F Légaré; contribution 10%	
2014-	Patient-Centered Outcomes Research Institute (PCORI)	\$485k USD
2016	Applying methods of user-centered design to achieve patient-centered care Role: Co-I (PI: H Witteman); contribution 2%	
2013-	Physician' Services Incorporated Foundation	\$20k
2014	Evaluation of rectal cancer decision aid and the factors influencing its implementation in clinical practice Role: Co-I (PI: R Wu*); contribution 10%	
2013-	Canadian Institutes of Health Research - Operating Grant	\$200k
2015	Development, testing and feasibility of an interprofessional shared decision-making and goal-setting decision aid for patients with diabetes in clinical care Role: Co-I (PI: C Yu); contribution 5%	
2013-	Canadian Institutes of Health Research - Operating Grant	\$100k
2014	Improving adherence to treatments through behavioural economics: Testing an enhanced decision aid in patients with obstructive sleep apnea Role: Co-I (PI: N Bansback); contribution 5%	
2012-	Patient-Centered Outcomes Research Institute (PCORI)	\$604k
2014	Engaging stakeholders to improve depression management in a tribal health system Role: Co-I (PI: R Robinson); contribution 2%	
2012-	Canadian Institutes of Health Research - Operating Grant	\$200k
2014	Managing symptoms during cancer treatments: Evaluating the implementation of evidence-informed remote support protocols Role: PI; contribution 10%	
2012-	Canadian Institutes of Health Research - Operating Grant	\$155k
2014	Development and feasibility testing of decision support for patients who are candidates for an implantable defibrillator Role: Co-I (PI: S Carroll); contribution 3%	
2012-	Canadian Institutes of Health Research - Team Grant	\$912k
2015	Canadian Collaborative for Methods, Applications, and Capacity Development in Network Meta-Analysis for Drug Safety and Effectiveness Role: Co-I (PI: D Coyle); contribution 1%	
2011-	Canadian Institutes of Health Research - Operating Grant	\$200k
2013	Implementation and evaluation of a KT strategy for optimal breast cancer screening Role: Co-I (PI: S Straus); contribution 2%	
2011-	Canadian Institutes of Health Research – Knowledge Translation Supplement	\$45k
2012	Scaling up implementation of evidence-based SDM training programs for health professionals Role: Co-I: (PI: F Légaré); contribution 10%	

2011-	CIHR Operating grant	\$110k
2013	Can Patient Decision Aids Improve Shared Decision Making and Reduce Gender Disparity in the Utilization of Total Knee Arthroplasty? A Pilot Study Role: Co-I; (PI: P Tugwell); contribution 2%	
2010-	Canadian Institutes of Health Research - Operating grant	\$200k
2012	Interprofessional shared decision making in home care: Feasibility of implementation based on a conceptual framework Role: Co-PI with F Légaré; contribution 10%	
2010-	Canadian Institutes of Health Research- Operating Grant	\$172k
2012	Dissemination and Implementation of a lung transplant decision aid Co-PI with S Aaron; contribution 10%	
2009-	Canadian Breast Cancer Research Alliance (CBCRA)	\$561k
2013	Development of a NHP decision aid for menopausal symptoms after breast cancer treatment Co-I (PI: L Balneaves); contribution 2%	
2009-	Foundation for Informed Medical Decision Making	\$128k
2010	Examining the relationship between decision support interventions and outcome measurements: applying the IPDAS instrument to the results of the Cochrane Systematic review of patient decision aids Role: Co-I (PI: G Elwyn); contribution 5%	
2009-	Canadian Institutes of Health Research- Training Grant	\$1.8m
2015	Knowledge Translation Canada: A CIHR Strategic Training Initiative in Health Research Role: Co-I (PI: S Straus); contribution 5%	
2009-	Canadian Institutes of Health Research– Knowledge Synthesis	\$189k
2011	Improving healthcare consumer effectiveness: An Animated, Self-serve, Web-based Research (ANSWER) tool for people with early rheumatoid arthritis Role: Co-I (PI: L Li); contribution 5%	
2008-	Canadian Institutes of Health Research	\$10m
2013	Knowledge Translation Canada: a national research network Role: Co-I (PI: J Grimshaw); contribution 1%	
2008-	Canadian Institutes of Health Research– Team Grant	\$2.5m
2013	Critical Periods of Body Weight Regulation: A Women’s Health Perspective Role: Co-PI (PI: D Prud’homme); contribution 10%	
2007-	Foundation for Informed Medical Decision Making, (FIMDM), Boston	\$100k
2010	Are patient decision aids for total joint replacement cost-effective and do they optimize the surgical referral process from primary care? Role: PI; contribution 10%	

**CONTRACTS (for past 5 years):**

<u>Year</u>	<u>Source/Title/Role</u>	<u>Amount</u>
2017-	Washington State Health Care Authority	\$13k
2018	Provide strategic, technical and consultative expertise in support of the training for decision aid certification criteria in Washington Role: PI; contribution 90%	USD

2016-	University of Washington at Vancouver	\$1.5k
2017	External Mentoring Program: Andra Davis PhD RN, Assistant Professor Role: PI; contribution 100%	USD
2015-	Washington State Health Care Authority	\$3k
2016	Development of a final set of certification criteria and a process to certify decision aids in Washington Role: PI; contribution 100%	USD
2014	Cochrane Collaboration Developing Patient Decision Aids from Cochrane Systematic Reviews Role: PI; contribution 50%	\$47k CAD

Refereed Chapters in Books: †knowledge users; \*graduate students

1. **Stacey, D**, Hill S, McCaffery K, \*Boland L, \*Lewis KB, Horvat L. (2017). Shared decision making interventions: Theoretical and empirical evidence with implications for health literacy. In R Logan (Ed). Health literacy: new directions in research, theory, and practice. IOS Press. 263-283. DOI: 10.3233/978-1-61499-790-0-263.
2. Hawker G, Lyddiatt A, Li L, **Stacey D**, Jaglal S, Munce S, Waugh E. (2016). Patient information strategies for decision-making and management of osteoarthritis. Chapter in Oxford Textbook of Osteoarthritis and Crystal Arthropathy (3<sup>rd</sup> Ed). Oxford University Press.
3. **Stacey, D**, Légaré F, Eden K, Col N, LeBlanc A. (2016). Patient decision aids to support patient engagement in health decisions (pp.144-149). Elwyn G, Thompson R, Edwards A (editors). Shared decision making in health care: A guide for practice (3<sup>rd</sup> edition). Oxford University Press.
4. **Stacey, D**, Légaré F, Briere N. (2016). Engaging clinical teams in an interprofessional approach to shared decision making (pp. 64-69). Elwyn G, Thompson R, Edwards A (editors). Shared decision making in health care: A guide for practice (3<sup>rd</sup> edition). Oxford University Press.
5. Légaré F, Scholl I, **Stacey, D**, Turcotte S. (2016). What can we do to make shared decision making really happen? (pp. 150-153). Elwyn G, Thompson R, Edwards A (editors). Shared decision making in health care: A guide for practice (3<sup>rd</sup> edition). Oxford University Press.
6. Légaré F, **Stacey, D**. (2014). An interprofessional approach to shared decision making: What it means and where next? (pp. 131-139). In: TK Woodruff, ML Clayman, KE Waimey (eds.), Oncofertility Communication: Sharing information and building relationships across disciplines, DOI 10.1007/978-1-4614-8235-2\_11, NY: Springer.
7. **Stacey, D**, Légaré F. (2013). Shared Decision-Making for Medical Practice Variations in Elective

- Surgeries and Tests. In A. Johnson and T Stukel (eds). *Medical Practice Variations: Health Service Research*. Springer.
8. **Stacey, D**, Hill S. (2013). Patient-direct and patient-mediated KT interventions (pp. 197-211). In S. Straus, J Tetroe, I Graham (eds.). *Knowledge Translation in Health Care: Moving from Evidence to Practice*. Blackwell Publishing.
  9. Brouwers M, **Stacey, D**, O'Connor A. (2013). Knowledge translation tools: use of clinical practice guidelines and patient decision aids. In S. Straus, I. Graham, & J. Tetroe (Eds.), *Knowledge Translation in Health Care: Moving from Evidence to Practice*. Blackwell Publishing.
  10. **Stacey, D**, Légaré F. (2011). Decision Making – the patient perspective. In M. Ferguson (Ed). *Difficult Decisions in Thoracic Surgery: An evidence-based approach* (2<sup>nd</sup> ed.). London, UK: Springer-Verlag London Limited.

Letters to the Editor: †knowledge users; \*graduate students

1. \*Lewis KB, **Stacey, D**, Birnie D. (2015). Regarding article ‘Replace DARE (Death after Replacement Evaluation) Score: Determinants of All-Cause Mortality After Implantable Device Replacement or Upgrade from the REPLACE Registry. Letter to the Editor of *Circulation: Arrhythmia and Electrophysiology*. 8 (2): 512.

Papers submitted to Refereed Journals †knowledge users; \*graduate students

1. Lawson M, \*Boland L, Feenstra B, **Stacey, D**. (submitted). Evaluation of decision coaching with patient decision aid for children with diabetes
2. \*Wu R, **Stacey, D**, Boushey RP, Potter B. (submitted). Perceived facilitators and barriers influencing implementation of the rectal cancer patient decision aid: A survey of colorectal surgeons. *Diseases of the Colon & Rectum*.

Published Refereed Papers - in press or epub

1. Garvelink MM, et al. (2019). Decisional Conflict Scale Findings among patients and surrogates making health decisions: Part II of an Anniversary review. *Medical Decision Making*. Accepted March 5, 2019.
2. \*Demery Varin M, **Stacey D**, Baumbusch J, Estabrooks C, Squires JE. (in press). Predictors of nurses’ research use in Canadian long-term care homes. *JAMDA*. Accepted April 27, 2019.
3. \*Dreesens D, Stiggelbout A, Agoritsas T, Elwyn G, Flottorp S, Grimshaw J, Kremer L, Santesso N, **Stacey D**, et al., van der Weijden T. (in press). A conceptual framework for patient-directed knowledge tools to support patient-centred care: Results from an evidence-informed consensus meeting. *Patient Education and Counseling*. Accepted May 4, 2019.
4. Toupin-April K, Barton JL, Fraenkel L, Meara A, Li LC, Brooks P, deWit M, **Stacey D** et al., Tugwell PS. OMERACT Development of a Core Domain Set of Outcomes for Shared Decision-making Interventions. *Journal of Rheumatology*. Epub Feb 1.
5. McAlpine K, Lavalley LT, **Stacey D**, Moodley P, Cagiannos I et al., Breau RH. (2019). Development and acceptability testing of a patient decision aid for urinary diversion with radical cystectomy. *Journal of Urology* – epub May 17, 2019
6. Adekpedjou R, **Stacey D**, Briere N, Freitas A, Garvelink MM, Dogba MJ, Durand PJ, Desroches S, Croteau J, Rivest LP, Legare F. (2019). Engaging caregivers in health-related housing decisions for older adults with cognitive impairment: A cluster randomized trial. *The Gerontologist*. Accepted May 16, 2019.
7. \*Jibb LA, **Stacey D**, Carley M et al. for the COSTaRS Team. (in press). Research priorities for the pan-Canadian Oncology Symptom Triage and Remote Support (COSTaRS) practice guides: a modified nominal group consensus. *Current Oncology*.
8. **Stacey D**, Taljaard M, Breau RH, Baba N, Blackmore T, Boland L, Carley M, Wu RC, Smylie J, Légaré F. (2018) A patient decision aid for men with localized prostate cancer: A comparative case study of natural implementation approaches. *Cancer Nurs*. 2018 Dec 19. doi:

- 10.1097/NCC.0000000000000651. [Epub ahead of print]
9. **Stacey D**, Ludwig C, Truant T, et al. (in press). Implementing practice guides to improve cancer symptom management in homecare: A comparative case study. *Home Health Care Management & Practice*. Accepted Dec 13, 2018.
  10. Garvelink MM, Boland L, Klein K, Nguyen D, Menear M, Bekker H, Eden K, LeBlanc A, O'Connor A, **Stacey D**, Légaré F. (2019). Decisional Conflict Scale use over 20 years: The anniversary review. *Medical Decision Making*. Accepted July 2, 2018.

Papers in Refereed Journals: †knowledge users; \*graduate students

1. Legare F, Lee-Gosselin H, Borduas F, Monette C, Bilodeau A, Tanguay D, **Stacey D**, et al., Rhugenda SM. (2019). Approaches to considering sex and gender in continuous professional development for health and social care professionals: An emerging paradigm. *Medical Teacher*. 40(9): 875-879.
2. Kuziemyky CE, \*Eynakchi R, Jibb J, **Stacey D**. (2019). Digital process innovation for patient centred cancer symptom management. *Studies in Health Technology and Informatics*. 257; 250-255.
3. Bansback N, \*Trenaman L, MacDonald KV, Hawker G, Johnson JA, **Stacey D**, Marshall DA. (2019). An individualized patient-reported outcome measure (PROM) based patient decision aid and surgeon report for patients considering total knee arthroplasty: protocol for a pragmatic randomized controlled trial. *BMC Musculoskeletal Disorders*, 20(1): 89.
4. Squires JE, **Stacey D**, Coughlin M, Greenough M, Roberts A, et al., Arnaout A. (2019). Patient decision aid for contralateral prophylactic mastectomy for use in the consultation: A feasibility study. *Current Oncology*. 26(2): 137-148.
5. Coutu MF, Légaré F, Durand MJ, **Stacey D**, Labrecque ME, Corbiere M, Bainbridge L. (2019). Acceptability and feasibility of a shared decision-making model in work rehabilitation: A mixed-methods study of stakeholders' perspectives. *Journal of Occupational Rehabilitation*. 29(1):128-139.
6. \*Boland L, Lawson ML, Graham ID, Légaré F, Dorrance K, Shephard A, **Stacey D**. (2019). Post-training shared decision making behaviours and facilitators for pediatric healthcare providers: A mixed-methods study. *Academic Pediatrics*. 19(1):118-129.
7. \*Boland L, Légaré F, Carley M, Graham ID, O'Connor AM, Lawson ML, **Stacey D**. (2019). Evaluation of a shared decision making educational program: The Ottawa Decision Support Tutorial. *Patient Education and Counseling*. 102(2):324-331.

## PRESENTATIONS AND WORKSHOPS

### Invited presentations (national or international conferences)

1. **Stacey D.** (2018, November). Invited by the School of Nursing at the University of British Columbia to present the 50<sup>th</sup> Marion Woodward Lecture on “Strategies and Tools for Putting Patients First”, Vancouver, British Columbia.
2. **Stacey D.** (2018, October). Invited by the Irish Medical Officer of Health to present at the National Patient Safety conference on “Supporting patients as partners in decision making: A strategy to improve quality and safety in healthcare”, Dublin Ireland.
3. **Stacey D.** (2018, June). Invited by the KT Canada conference organizing committee to present on “Evaluation of Patient Engagement in Shared Decision Making” at the annual conference, Vancouver, British Columbia.
4. **Stacey D.** (2018, May). Invited by Pamela Ginex at the Oncology Nursing Society to present on “Symptom practice guides: implementing evidence for how nurses think and what nurses do” as part of a panel on Integrating Research Into Practice: An implementation science approach to symptom management at the annual Oncology Nursing Society conference, Washington, DC.
5. **Stacey D.** (2018, April). Invited by Berith Hedberg, Professor, to present on “The Science of Knowledge Translation in relation to Co-production: the Patient Voice” for faculty and graduate students at Jonkoping University, Sweden.
6. **Stacey D.** (2018, April). Invited by Berith Hedberg, Professor, to present on “Quality improvement with patients and family members using Interprofessional shared decision making with patient decision aids” for faculty and graduate students at Jonkoping University, Sweden.
7. **Stacey D.** (2018, April). Invited by Petrie-Flom Center at Harvard Law School and the Coalition to Transform Advanced Care to present on “Theory and knowledge of Patient Decision Aids: the evidence” at the Development and Certification of Decision Aids to promote shared decision making for patients with serious illness conference, Harvard Law School, Boston, Massachusetts.
8. **Stacey D.** (2018, March). Invited by Naoko Arimori to present “Shared decision making interventions in medical organizations” for faculty and graduate students, St. Luke’s University, Tokyo, Japan.
9. **Stacey D.** (2018, March). Invited by Naoko Arimori to present “Shared decision making outcomes: an interdisciplinary perspective” for faculty and graduate students, St. Luke’s University, Tokyo, Japan.
10. **Stacey D.** (2017, November). Invited by Daniel Lessler, Chief Medical Officer, Washington State Health Care Authority to provide repeat training for using the International Patient Decision Aid Standards criteria that were for certification of patient decision aids.
11. **Stacey D.** (2017, August). Invited by Peter Wyer to present “The patient voice in evidence-based care and improvement” at the TEACH Workshop, New York Academy of Medicine, New York.
12. **Stacey D.** (2017, June). Invited to provide a lecture titled Patient decision aids: evidence, quality and practice, at the “Colloque pluridisciplinaire: Perspectives populationnelle et interpersonnelle de la communication aux patients” University of Montreal, Montreal, Quebec.
13. **Stacey D.** (2017, May). Invited by Daniel Lessler, Chief Medical Officer, Washington State Health Care Authority to provide training for using the International Patient Decision Aid Standards criteria that were for certification of patient decision aids. (KB Lewis\* co-presented)
14. **Stacey D.** (2016, December 14). Invited by July Considine, Chair in Nursing Eastern Health, to present on Patient and Family Engagement: Evidence & Tools, Box Hill Hospital, Melbourne, Australia.

15. **Stacey D.** (2016, December 12). Invited by Tracey Bucknall, Associate Head of School, School of Nursing and Midwifery, Faculty of Health, Deakin University to present “Patient and Family Engagement: Evidence & Tools”, Deakin University, Melbourne, Australia.
16. **Stacey D.** (2016, December 2). Invited by Professor Allison Hutchinson, Chair in Nursing at Monash Health, to present “Best Practice in examining honours & coursework research theses”, Deakin University, Melbourne, Australia.
17. **Stacey D.** (2016, December 1). Invited by Lucy Cuddihy, Chief Nursing Officer, Barwon Health, to present “Engaging patients in decisions: Tools, evidence & practice”, Barwon Health, Geelong, Australia.
18. **Stacey D.** (2016, December 1). Invited by Laura Brooks, Lecturer in Nursing, School of Nursing and Midwifery, Deakin University to present “Symptom Practice Guides: Implementing evidence formatted to how nurses think and what nurses do”, Geelong campus, Deakin University, Australia
19. **Stacey D.** (2016, November 25). Invited by Allison Hutchinson, Chair in Nursing at Monash Health to present “Engaging patients in decisions: Tools, evidence & practice”, Monash Health, Melbourne Australia.
20. **Stacey D.** (2016, November 24). Invited by Maxine Duke, Head of School of Nursing and Midwifery to present “Grant success: Putting the team together” at the Quality and Patient Safety Strategic Planning Day, Deakin University, Australia.
21. **Stacey D.** (2016, November 9). Invited by Tracey Bucknall, Associate Head of School of Nursing and Midwifery and Chair at Alfred Health to present “Symptom practice guides: How nurses think & what nurses do”, Alfred Health, Melbourne, Australia.
22. **Stacey D.** (2016, October). Invited by Britta Bjerrum Mortensen, Danish Health and Medicines Authority to advise on grant funding for shared decision making and to provide the key note presentation on user involvement at their national conference, Kolding, Denmark.
23. **Stacey D.** (2016, September 27). Invited by Tone Brathen, Senior Advisor, Norwegian Directorate of Health to present on Shared Decision Making using Patient Decision Aids at an invitation meeting focused on establishing national criteria for patient decision aids in Oslo, Norway.
24. **Stacey D.** (2016, June 29). Invited by Jo Rycroft-Malone, Professor and Vice Chancellor, Research & Impact, Bangor University to present on Co-Production: The Patients’ Role, Knowledge Utilization Annual Conference, Llandudno, Wales.
25. **Graham, I., Stacey D.** (2016, June 21-22). Invited by Jan Nordvik Manager of the Regional Centre for Knowledge Translation in Rehabilitation to provide a workshop on Knowledge to Action: The process to implement knowledge in practice, Sunnaas Rehabilitation Hospital, Oslo, Norway.
26. **Stacey D.** (2016, June 20). Invited by Jan Nordvik, Manager of the Regional Centre for Knowledge Translation in Rehabilitation to present on Patient and Knowledge User Engagement at the Knowledge Translation: Can we implement knowledge in less than 17 years? conference in Oslo, Norway.
27. **Stacey D.** (2016, June 20). Invited by Jan Nordvik Manager of the Regional Centre for Knowledge Translation in Rehabilitation to present on Shared Decision-Making using Patient Decision Aids at the Knowledge Translation: Can we implement knowledge in less than 17 years? conference in Oslo, Norway.
28. **Stacey D.** (2016, May 5). Invited by Brenda Sabo to present on the Pan-Canadian Oncology Symptom Triage and Remote Support Project in the School of Nursing, Dalhousie University.
29. **Stacey D.** (2016, April 2). Invited by Danil Makarov and Angie Fagerlin to present on Decision Coaching at the American Urological Association and Society for Medical Decision Making Quality Improvement Summit, Linthicum, Maryland.
30. **Stacey D.** (2016, March 4). Invited by Monika Krzyzanowska at Cancer Care Ontario to give the opening key note presentation at the Quality and Safety Symposium, Toronto, Ontario.

31. **Stacey D.** (2016, February 5). Invited by Jean Baptiste Lattouf and Neil Reaume at the Kidney Cancer Research Network of Canada to present at the 7<sup>th</sup> Canadian Kidney Cancer Forum, Toronto, Ontario.
32. **Stacey D., Seely J.** (2016, January 21). Invited by the Champlain Regional Primary Care Cancer Program to present at the Breast Cancer Screening: Evidence & Controversy event for family doctors & other primary care providers, Ottawa, Canada.
33. **Stacey D.** (2015, November 10). Invited by Jeremy Grimshaw to present Canadian Cochrane Online.
34. **Stacey D.** (2015, November 2). Invited by Naoko Arimori, Professor in the Faculty of Medicine School of Health Sciences Nursing to present to nursing faculty and graduate students in the School of Nursing, University of Niigata on Decision Support: Interventions and Evidence, Japan.
35. **Stacey D.** (2015, November 1). Invited by Naoko Arimori, Professor in the Faculty of Medicine School of Health Sciences Nursing to present to nursing faculty and graduate students in the School of Nursing, St. Luke's International University on Decision Support: Interventions and Evidence, Tokyo, Japan.
36. **Stacey D.** (2015, Oct 20). Invited by William Lawrence, Senior Program Officer, Communication and Dissemination Research, PCORI to present on a panel titled Moving Decision Aids from Research to Real-World Settings at the Society for Medical Decision Making Conference, St. Louis, Missouri. Presentation titled "Implementing shared decision making: The current evidence."
37. **Stacey D.** (2015, Oct 18). Invited by Jill Metcalf Executive Director Society for Medical Decision Making to present as a faculty member in the VA- SMDM Advanced Training Course in Shared Decision Making. Pre-conference workshop at the Society for Medical Decision Making Annual meeting, St. Louis, Missouri.
38. **Stacey D.** (2015, Oct 1). Patient Decision Aids: Enhancing the quality of health decisions. Invited by Lisa Hopp to present at the Joanna Briggs Institute center's Evidence-based Practice Conference titled Leadership and innovation in evidence based healthcare.
39. **Stacey D.** (2015, Sept 15). Enhancing nursing passion to use practice guides for informing telephone symptom support: The COSTaRS project. Invited by Meinir Krishnasamy to present at the Peter MacCallum Cancer Centre, Melbourne, Australia.
40. **Stacey D.** (2015, Sept 14). Invitation from Lucy Cuddihy, Chief Nursing & Midwifery Officer to present on Decision Coaching and Interprofessional Shared Decision Making at Barwon Health, Geelong, Australia.
41. **Stacey D.** (2015, Sept 8). Is translating shared decision-making into practice a fairy story? Invited by Belinda Goodenough to give the key note presentation at the National Dementia Research and Knowledge Translation Forum 2015. Sydney, Australia.
42. **Stacey D.** (2015, Aug 28). Invited by Tracey Bucknall to present on Shared Decision Making Tools and Evidence at the Alfred Hospital, Melbourne, Australia.
43. **Stacey D.** (2015, Aug 25). Knowledge tools to support patient engagement in shared decision making. Invited by Tracey Bucknall to present at Deakin University Master Class, Melbourne, Australia.
44. **Stacey D.** (2015, Aug 24). Invited by Brigid Clarke to present on Evidence for and Experiences of Implementing Shared Decision Making and Patient Decision Aids to the Consumer Partnerships and Quality Standards team at the Department of Health & Human services, Victoria Health, Melbourne, Australia.
45. **Stacey D.** (2015, May 8). Shared decision making, evidence and tools. Invited by Gary Smith to present at the Australian Association of Practice Management Ltd. Canada and USA Study Tour, Ottawa, ON.
46. **Stacey D.** (2015, March 3). Shared decision making. Invited by Peter Wyer to present at the Evidence-based Guidelines Affecting Policy, Practice and Stakeholders (E-GAPPS II) meeting, New York Academy of Medicine, New York.

47. **Stacey D.** (2015, March 26). Evidence for patients – same or different? Invited by Peter Coyte to present at the annual symposium of the Health Care, Technology and Place CIHR-Strategic Training Initiative in Health Research, Toronto, ON.
48. **Stacey D.** (2014, December 5). Achieving shared decision making in healthcare: Interventions for clinical practice. Invited by Jessica Williams to present to the School of Nursing at Miami University, Florida, USA.
49. **Stacey D.** (2014, November 5). When Decision aids meet systematic reviews: Cochrane Patient. Clinical Epidemiology Debates, Ottawa Hospital Research Institute, Ottawa, ON.
50. \*Boland L, **Stacey D.** (2014, October 29) Patient Decision Aids to Engage Patients in Making Decisions. Digital Transformation in Health 5.0, Ottawa, ON.
51. **Stacey D** and Légaré F. (2014, October 26-29). Invited by the planning committee for the 2014 annual conference of Canadian Association of Nurses in Oncology to provide the key note presentation on an Interprofessional approach to Shared Decision Making in Quebec City.
52. **Stacey D.** (2014, October). Invited by the Australian Commission on Safety and Quality Health Care, Sydney, Australia to attend meetings and present to a range of stakeholders on shared decision making, patient decision aids, international standards, and implementation to inform discussions about wide scale implementation of shared decision making and patient decision aids in clinical practice and curriculum across Australia
53. **Stacey D**, Straus S. (2014, June 9-11). Reaching consensus on core competencies for Strategic Training in Health Research (STIHR) fellows. Invited to present at the KT Canada Summer Institute.
54. **Stacey D.** (2014, June 17). Patient Decision Aids: effectiveness, certifying, implementing. Invited to present at the PCORI Applying methods of user-centered design to achieve patient-centered care team meeting, Quebec City.
55. **Stacey D.** (2014, May 22). Invited by the Board of Directors of the Academic Medical Centre of the University of Amsterdam to give the 16<sup>th</sup> Anna Reynvaan Lecture on May 22, 2014 to nurses and nurse leaders from the Netherlands and Belgium. This annual lecture is referred to as the “Dutch Florence Nightingale” for nurses, media, researchers and other healthcare professionals. *Shared Decision-Making: What is the role for nurses?*
56. **Stacey D.** (2014, April 14). Invited by the Patient Education Committee of the College of Family Physicians of Canada, Toronto to present to their committee on Shared Decision Making: Tools and Implementation.
57. **Stacey D.** (2013, November 26). Shared decision making as a knowledge translation intervention. Invited by Veterans Affairs Canada to provide the opening key note presentation at the Military and Veterans Health Research Conference, Edmonton, Alberta. Story in St. Albert Leader on November 28, 2013 titled “Military health in scope” <http://www.stalbertleader.com/2013/11/28/military-health-in-scope/>. For researchers, policy makers, veterans, media, and healthcare professionals.
58. **Stacey D**, Shrier I, Gauvin FP, Boivin A, Légaré J. (2013, September 21). Patient-Centred decision making: Using evidence from bedside to health policies. Invited by the Scientific Committee of the 21<sup>st</sup> International Cochrane Colloquium to organize and provide a special symposium on “Patients and evidence production and use”, Quebec City, Quebec. For researchers, healthcare professionals, patients
59. **Stacey D.** (2013, September 25). Engaging patients in shared decision making to improve clinical and experiential outcomes. Invited to present at the first National Forum on Patient Experience, Toronto, Canada. For health policy makers and healthcare professionals.
60. **Stacey D.** (2013, September 12). Tools for shared decision-making: State of the science and research needs. Invited by the Eisenberg Center for Clinical Decisions and Communication Science at Baylor College of Medicine, Houston, Texas to present at the Eisenberg Conference Series 2013 Meeting to identify research priorities for the Agency for Healthcare Research and Quality, Rockville, Maryland. For research funders and researchers.

61. **Stacey D.** (2013, August 7). Engaging patients in their own healthcare decisions. Invited by Peter Wyer to present at the New York Academy of Medicine TEACH (Teaching Evidence Assimilation for Collaborative Healthcare) workshop, New York. For researchers and healthcare professionals.
62. **Stacey D.** (2013, May 9). Outils d'aides à la décision: Mise à jour sur les critères de qualité et leur impact sur la prise de décision et les patients. Invited by MA Doran and F Légaré for presentation in a 1-day symposium titled « Les outils numériques d'aide à la décision et à la communication concertée en sante » as part of a 5-day interdisciplinary scientific colloquium “Cinq axes pour comprendre et construire les villes intelligentes” at the 2013 ACFAS, Québec City, Québec. For researchers.
63. **Stacey D.** (2013, April 20). Transforming evidence from guidelines into user friendly clinical practice tools: The COSTaRS Project. Invited by the scientific organizing committee for presentation at the 2013 Ottawa Hospital Research Institute Retreat, Ottawa, Canada. For researchers.
64. **Stacey D.** (2012, October). Partners in Care: Sharing in Decisions about Health. Invited by Lisa Hopp RN, PhD FAAN to give key note presentation at the Fall Indiana Center for Evidence Based Nursing Practice conference, Purdue University Calumet, Hammond, Indiana.
65. Sepucha K, **Stacey D.** (2012, July). Shared decision making and patient decision aids: State of the evidence on measurement. Invited by the scientific organizing committee for presented at the Summer Institute of Informed Patient Choice, Dartmouth College, Hanover, New Hampshire, USA.
66. **Stacey D.** (2012, June). Using evidence and experience to inform patients' involvement in health decisions. Invited by the Nursing Community of Practice using video-conferencing for the Cancer Care Ontario Nursing Rounds, Ontario, Canada.
67. **Stacey D.** (2012, June). Interprofessional approach to shared decision making (IP-SDM): A workshop for healthcare professionals. Invited by the Clinical Pathways Team for presentation at the Ministry of Health, Regina, Saskatchewan.
68. **Stacey D.** (2012, June). Using evidence and experience to inform patients' involvement in health decisions. Invited by the Cochrane Consumer and Communications Group for presentation at the Festival of Evidence & Experience, Melbourne, Australia.
69. **Stacey D.** (2012, April). Government as partner to implement decision support in clinical practice: The Saskatchewan Experience. Invited to present by the scientific committee for the Establishing a Research Network for Treatment Decision Making in Oncology in Canada Meeting, Toronto, ON.
70. **Stacey D.** (2012, April). Ottawa Shared Decision Making Training and Implementation. Invited to present by the scientific committee of the Competencies for Continuing Professional Development in Shared Decision Making International Workshop. Quebec, QC.
71. **Stacey D.** (2011, December). Decision support for patients with chronic illnesses. Invited by the Canadian Nurses Academy in Multiple Sclerosis, Kingsbridge, Ontario, Canada
72. **Stacey D,** Légaré F. (2011, December). Interprofessional Shared Decision Making (IP-SDM): A workshop for practitioners in primary care. A 1.5 day workshop for medical residents in Internal Medicine at Yale University and nurse practitioner students at Fairfield University, Connecticut, USA.
73. **Stacey D,** Lawson M. (2011, November). Decision coaching skill building workshop. Presented to social workers at the Children's Hospital of Eastern Ontario, Ottawa, Ontario.
74. **Stacey D** (2011, November). Cochrane review of patient decision aids within the broader context of knowledge translation. Cochrane Consumers and Communication Review Group, La Trobe University, Melbourne, Australia
75. **Stacey D** (2011, October). Translating shared decision making into primary care: A capacity building workshop for faculty. Monash University, Melbourne, Australia

76. **Stacey D** (2011, October). Knowledge Translation to patients using patient decision aids and decision coaching. Keynote presentation at the Making Change Happen: Monash University Department of General Practice Research Day, Melbourne, Australia.
77. **Stacey D** (2011, October). Shared decision making: Facilitator training workshop. Surgical Pathway Initiative, Ministry of Health of Saskatchewan, Saskatoon, Saskatchewan.
78. **Stacey D** (2011, September). Shared Decision Making: Implementation at The Ottawa Hospital. Presented to the Senior Management Team, The Ottawa Hospital, Ottawa, Ontario.
79. **Stacey D** (2011, August). Implementing decision support for patients in the context of hospital care: A prostate cancer example. Centre de recherche du Centre Hospitalier Universitaire de Québec. Hôpital St-François d'Assise, Quebec City, Quebec.
80. **Stacey D** (2011, August). Shared Decision Making: Why is it important? Surgical Pathway Initiative, Ministry of Health of Saskatchewan, Saskatoon, Saskatchewan.
81. **Stacey D** (2011, August). Shared decision making: Implementing for patients with osteoarthritis of hip/knee. Surgical Pathway Initiative, Ministry of Health of Saskatchewan, Prince Albert, Saskatchewan.
82. **Stacey D** (2011, June). Framework and evidence-based tools for decision support training. Pre-conference workshop at the 6<sup>th</sup> annual International Shared Decision Making conference, Maastricht, Netherlands.
83. **Stacey D** (2011, May). Patient decision aids – Patient involvement in decision making. 30<sup>th</sup> annual Canadian Association for Enterostomal Therapy conference, Montreal, Quebec.
84. **Stacey D** (2011, March). Knowledge Translation in Action: Implementing Interprofessional Shared Decision Making. Presented at the Dartmouth College Centre for Health Care Delivery Science, Hanover, New Hampshire.
85. **Stacey D** (2011, February). Knowledge Translation to Patients: Decision Aids and Decision Coaching. Presented at the Oncology Nursing Research Rounds, Princess Margaret Hospital, Toronto, Ontario, Canada.
86. **Stacey D**. (2011, February). Knowledge translation to patients: Decision aids. Presented at the KT Branch Lunch n' Learn, Canadian Institutes of Health Research, Ottawa, Canada
87. **Stacey D**, Bennett C, Barry M, Col N, Eden K, Holmes-Rovner M, Légaré F, Lyddiat A, Llewellyn-Thomas H, Thomson R. (2011, January). Updated Cochrane systematic review of patient decision aids: 86 trials (includes 31 new). Presented at the Foundation for Informed Medical Decision Making, Boston.
88. **Stacey D**. (2011, January). Advancing Shared Decision Making. Presented at the Ideagora, Institute for Clinical Systems Improvement (ICSI), Bloomington, Minnesota.
89. **Stacey D**. (2011, January). Facilitating Shared Decision Making in Clinical Practice. Presented at the Annual Psychiatry Research Day, The Ottawa Hospital (CME approved).
