

Curriculum Vitae
Professor Peter Griffiths
University of Southampton, Health Sciences
Southampton SO17 1BJ
02380 597877
peter.griffiths@soton.ac.uk

Current posts

Chair, Health Services Research, University of Southampton (2011 -)
Executive Editor International Journal of Nursing Studies (2005 -)
Adjunct Professor of innovative care , Karolinska Institutet, Sweden (2015-)
Senior Fellow, Centre for Health Outcomes and Policy Research, University of Pennsylvania (2018-)

Previous appointments

Professor / Director, National Nursing Research Unit King's College London (2006-2010)
Visiting Professor, University of Navarra (2006- 2010)
Senior Lecturer, Health & Social care Research, King's College London (2002/2006)
Lecturer, Nursing, King's College London 1997-2002
Clinical Researcher, King's Healthcare NHS Trust (1992-1997)
Staff Nurse, Sussex Oncology Centre (1991-1992)
Student Nurse, Brighton Health Authority (1988-1991)
Research Assistant Hove Centre for Community Mental Health (1986-1987).

Awarded Fellowships / memberships

Senior Investigator, National institute for Health Research
Fellow of the Higher Education Academy
Fellow of the European Academy of Nursing Science

Education

PhD Nursing, King's College, London (Effectiveness of Nurse-led intermediate care) 1998
RN, Sussex & Kent Institute of Nursing & Midwifery (Now University of Brighton) 1991
BA (Hons) 1st Class, Social Psychology with Social Science, University of Sussex 1987

Research interests: Health workforce effectiveness, patient safety

Research funding (select since 2013)

NIHR Health Services & Delivery Research Safer and more efficient vital signs monitoring to identify the deteriorating patient: An observational study towards deriving evidence-based protocols for patient surveillance on the general hospital ward £828,628 (Deputy PI) October 2018-March 2021

Health Research Board (Ireland) Research Programme - Taskforce on staffing and skill-mix for nursing €893,462 (co-investigator) April 2017-March 2020

National Institute for Health Research (NIHR) Health Services & Delivery Research: Identifying nurse-staffing requirements using the Safer Nursing Care Tool. Modelling the costs and consequences of real world application to address variation in patient need on hospital wards £559,000 (principal investigator) May 2016-Mar 2019

NIHR Health Services & Delivery Research: Evaluating the ten year impact of the Productive Ward at the clinical microsystem level in English acute trusts £317,000 (co-investigator) Jan 2016-Jun 2018

NIHR Health Services & Delivery Research Nurse staffing levels, missed vital signs observations and mortality in hospital wards: modelling the consequences and costs of variations in nurse staffing and skill mix. Retrospective observational study using routinely collected data £480,000 (principal investigator) Jun 2015-May 2017

NIHR Health Services & Delivery Research: Creating Learning Environments for Compassionate Care (CLECC): a feasibility study £486,000 (deputy principal investigator) May 2016-Nov 2018

NIHR: Collaboration for Leadership in Applied Health Research and Care Wessex £19,000,000 (co-investigator, theme lead 'fundamental care') Jan 2014-April 2019

National Institute for Health and Care Excellence evidence review for safe staffing guidance (hospital wards) £79,00 (principal investigator) Jan – July 2014

National Institute for Health and Care Excellence evidence review for safe staffing guidance (emergency care) (co-investigator) £49,00 July 2014 -March 2015 2014

Canadian Institute for Health Research / Saskatchewan Health Research Foundation Impact (Canada) of Releasing Time to Care. \$3,323,583 (co-investigator) May 2010-April 2013

Recent Publications (select 2018/19)
