

# Curriculum vitae – Professor Lisbeth Uhrenfeldt, RN, BA, MScN, PhD

## Positions

2018- *Professor* in Clinical Nursing, Faculty of Nursing and Health Science, Nord University Bodø, Norway (100%)

2017- *Fellow, appointed*, European Academy of Nursing Science (EANS)

2016- 17 *Professor* Nord University, Bodø, Norway. (50%)

2016-2019 *Chair, appointed*, and funding member, European Academy of Caring Science (EANS)

2014- 2018 *Associate professor*, Department of Health Science and Technology, Aalborg University, Denmark (50% in 2016-17).

2013- *Core Staff Member* (honary) at Danish Centre of Guidelines and Danish Centre of Systematic reviews: Joanna Briggs Institute Centre of Excellence, Aalborg University, Aalborg, Denmark

2008 – 2014 *Clinical Research lead and associate professor* Horsens Teaching Hospital and Aarhus University, Denmark.

## Education

2007 PhD Nursing Science; 2001 BA in History of Ideas; 1996 Master of Nursing Science (120 ECTS), Nursing Diploma in 1994 in Clinical Nursing. Nursing Diploma in 1984 as Teaching Nurse.

Training in home care, children care and geriatric nursing. Trained in science at European Academy of Nursing Sciences three years summerschool as ph.d. student (2004-06).

## Research

Lead of a research programme applying: *Competence development, knowledge transfer and clinical leadership* (CocKTaL) since 2003. Initiator of a Norwegian- Danish project “Sykepleie i spesialisthelsetjenesten” in 2017, a project within CocKTaL. Research experiences based on qualitative and quantitative methods, metasynthesis, metaanalysis, systematic reviews and RCT’s.

EU funding achieved (2018) within 9 universities and the European Academy of Caring Science (4,3 mill Euro). Partner in two Nordic research projects: PRANSIT (Patient and relatives experiences of transitions in transfer) and CareLead (Caring leadership in community care) from 2009-2018. Supervisor of PhD-students (7 graduated succesfully, 2 ongoing, 2 in recruiting for 2019), supervision of master projects (>15), assessment of 2 Nordic PhD dissertations, pre-assessment of PHD protocols (>5) and qualifications of associate professors (5) and full professor (1). Peer review of publications (> 40).

## Selected teaching experience in 2004-:

- Nursing and caring for adult patients well-being and mobility
- History of science and qualitative research
- Methodology, method and Technik
- Systematic review and metasynthesis
- Scoping review: a method to evidence based care
- Significant others- informal carers perspective on their loved ones needs and situation
- Clinical leadership and transitional care for older patients

## External funding 2014-18 (in examples)

2020-2023: Fully financed ESRs at Nord university (2 stipend)

2018: H2020 EU Marie S Curie 4,3 mill Euro at Nord university in collaboration with universities in Sweden (2), Denmark (2), UK (3) and Greek (1) universities.

2017: 388.000 DKK Aarhus university stipend (2 stipend)  
 2016: 388.000 DKK Aarhus university stipend (2 stipend)  
 2015: 396.026 DKK Aarhus university stipend & Hede Nielsen (2 stipend)  
 2014: 276.500 DKK Region Midts Research Funding og Hede Nielsen fonden m.fl.

## Publications

Published 111 texts, of which 70 are peer reviewed publications in national and international journals 58 articles last 5 years), 39 other articles, 15 textbook chapters or books. 27 posters presented besides 29 oral conference presentations. 7 papers are at present in review.

## Influence

Fellow of European Academy of Nursing Science after application and documentation of influence. Chair (2017-19) of European Academy of Caring Sciences. *EU MSC funding* 4.300.000 Euro for *Innovate Dignity study* (2018-2022). H- index (SCOPUS) 11 in 2019. Researchgate prominence is 29,37 at present.

## 58 Peer-reviewed papers published within the last 5 yrs (since 2014-)

1. Jørgensen L, Jacobsen HR, Pedersen B, Uhrenfeldt L. (2019) Calling an oncological emergency telephone to seek advice - an interview study. *Cancer Nursing*. Accepted 190819. Manuscript Number - CN-D-19-00090R2
2. Hartviksen T, Aspfors J, Uhrenfeldt L. (2019) Healthcare middle managers develop capacity and capability individually when in an empowering context: a systematic review and meta-synthesis. *BMC Health Services Research*. 19, 546-  
doi.org/10.1186/s12913-019-4345-1
3. Madsen R, Uhrenfeldt L., Birkelund R. (2019) Transition experiences during courses of incurable cancer from the perspective of patients. *European Journal of Oncology Nursing*. 38, 13-20.
