

## Workshop guidelines

The Organising Committee welcomes the submission of abstracts for workshops at the 3<sup>rd</sup> International Conference of the German Society of Nursing Science, 11-12 May 2023.

In order to standardise the abstract layout, we kindly ask you to read the guidelines carefully.

### **Submissions for workshops**

Workshops should provide learning opportunities on focused topics and encourage knowledge distribution using different presentation and interaction methods.

Importantly, workshops must include participants in some kind of interaction.

### **Workshop topics**

- Methodological issues of nursing research
  - Methodological challenges, solutions and innovations in nursing and interprofessional research
- Theory development
  - Theoretical approaches and developments for nursing, nursing research and nursing practice
- Clinical nursing
  - Development, evaluation and implementation of interventions in different nursing settings
- Nursing in times of crisis
  - Climate change, pandemic and sustainability in nursing research and practice

### **Preparation guidelines**

- Workshops should be clearly different from oral presentation sessions and symposia as they should focus on a specific topic and include participant interaction.
- The duration of each workshop is 60 or 90 minutes. Workshop may comprise panel presentations by the workshop leaders followed by interactive elements.
- Titles are limited to 15 words and abstracts are limited to 250 words and should follow the general guidelines for abstracts (for further details please refer to the abstract guidelines: [https://conference.dg-pflegewissenschaft.de/wp-content/uploads/2022/08/2022\\_08\\_30a-Regular-Abstract-guidelines-final.pdf](https://conference.dg-pflegewissenschaft.de/wp-content/uploads/2022/08/2022_08_30a-Regular-Abstract-guidelines-final.pdf)).
- Additionally, abstracts for workshops should include a short description of the interactive element under the specific headline “Interactive Elements”.
- The presenting author is the workshop leader. Besides the leader, further co-presenters have to be added. Workshop leaders will be notified about the selection results. Please make sure to state your correct e- mail address.
- Each indicated presenter has to provide a short presentation title and a summary of their individual presentation (max. 50 words).
- Workshop leaders are responsible to liaise with co-presenters. Also, they are kindly requested to inform speakers that no financial support is provided by the conference organisation to workshop participants and that congress registration fee is not waived.

#### **Questions?**

If you need any assistance with the abstract submission, please contact [info@dg-pflegewissenschaft.de](mailto:info@dg-pflegewissenschaft.de).
