

Regular abstract guidelines

The Organizing Committee welcomes the submission of abstracts for presentations at the 4th International Conference of the German Society of Nursing Science, 08-09 May 2025 in Berlin.

In order to standardise the abstract layout, we kindly ask you to read the guidelines carefully.

Guidelines for preparation abstracts

1. Abstracts may only be submitted **online**. Abstracts submitted via e-mail, post, fax, or other methods will generally not be accepted.
 2. The conference language is **English**.
 3. Abstracts must be submitted in **English**. Please use UK English spelling.
 4. The **presenter** of an accepted abstract **must register** and attend the congress.
 5. Poster presenters must be present and stand by their posters during their assigned poster sessions.
 6. Provide a short specific title indicating the nature of the submission.
 7. The title may not exceed **150 characters** including spaces. The abstract **text** may not be longer than **2.500 characters** (including spaces), excluding disclosures.
 8. Images and tables **must not** be included.
 9. Abstracts for individual presentations and posters should be structured as follows:
 - **Background and Objectives**
 - **Design and Methods**
 - **Results**
 - **Conclusions**
 10. All **abbreviations must be defined** the first time they appear in the text.
 11. Results of studies must already be available when the abstract is submitted. Abstracts in which results are promised will not be accepted.
 12. Authors should indicate their presentation type preference:
 - Oral presentation (12-15 minutes)
 - Symposium (60 or 90 minutes) (please refer to separate guidelines)
 - Workshop (60 or 90 minutes) (please refer to separate guidelines)
 - Poster presentation (5 minutes)
- The review board reserves the right to decide on the final allocation and presentation type.
13. Disclosure of potential conflict of interest (e.g. grant support, consultancy, membership on advisory boards) by all authors and source of funding are mandatory. Each listed author should prepare a one-sentence statement to this effect.
 14. Submitting (corresponding) authors take responsibility for informing all co-authors of the successful submission, acceptance or rejection, as well as for forwarding to presenters any instructions received on how to present the abstract.
 15. Please make sure to state your **correct e-mail** address. Note that only the submitting (corresponding) person receives all notifications about the abstract. Therefore, make sure that emails from information@smart-abstract.com are not marked as spam by your email provider. Abstract changes and corrections will be accepted until the deadline on 31st October 2024. CET 23.59.

Conference topics

(1) Strengthening resilience through nursing research

- Climate change
- Pandemic conditions
- Sustainability in nursing research and practice
- Migration
- Workforce issues

(2) Technology in Nursing

- Digitalisation
- Robotics
- Artificial intelligence (AI)

(3) Professional development

- Advanced Nursing Practice
- Knowledge transfer
- Interprofessional collaboration
- Workforce issues
- Nursing and interprofessional education

(4) Theory

- Theory development
- Theoretical approaches and developments for nursing, nursing research and nursing practice

(5) Methodological and clinical research issues

- Methodological issues of nursing research
 - Methodological challenges, solutions and innovations in nursing and interprofessional research
 - Clinical nursing research

Notification

Each abstract will be reviewed by 2 experts according to relevance, originality, clarity, and scientific quality of the submitted abstract. Final selection will be made by the review board. Notification of acceptance or rejection of submitted abstracts will be sent to the corresponding authors via email approx. on December 21, 2024. Full instructions concerning preparation and presentation will be included.

Publication

All accepted abstracts will be published. By submitting an abstract the author gives permission for publication.

Questions?

You have questions on submission? Please choose "Help" in the abstract submission menu at the top right, or send us a message via the "Feedback/Support" button in the main navigation. We will get back to you at very short notice. For further information concerning registration please visit the conference website: <https://conference.dg-pflegewissenschaft.de/>
